FOURTEENTH CONGRESS

First Regular Session

HOUSE BILL NO. 3230

Introduced by HONORABLE CARLO OLIVER D. DIASNES

EXPLANATORY NOTE

This bill seeks the establishment of a Congressional District Skills Training Center for Out-of-School Youth in the island-municipality of Itbayat in the province of Batanes.

The Constitution provides that the state recognizes the vital role of the youth in nation-building and shall promote and protect their physical, moral, intellectual and social well-being. It shall also inculcate in the youth patriotism and nationalism and encourage their involvement in public and civic affairs.

This policy acknowledges the vital role of the youth in nation-building and its acceptance of their involvement in matters affecting the national welfare. The recognition of the potentials of the youth and their new social consciousness to get involved in the affairs of the nation impels the state to promote the physical and intellectual well-being of the youth. This can be effected by having a nationwide campaign for their physical and intellectual development.

The setting up of the center will spur economic development as it will help solve the problem of unemployment in the island- municipality of Itbayat and the province of Batanes as a whole. Enhancing the capabilities of the youth will make them more productive and transform them into useful and dynamic citizens.

In view of the foregoing, passage of this bill is earnestly sought.

CARLO OLIVER D. DIASNES MD.
