It was 4:46 p.m.

RESUMPTION OF SESSION

At 4:46 p.m., the session was resumed.

MANIFESTATION OF REP. BALINDONG

Upon recognition by the Chair, Rep. Pangalian
M. Balindong manifested that in a primer that
was distributed to the Members during the
previous session, the cover title of which is:
“Measures Acted Upon by the House of
Representatives in the First Regular Session,
Fourteenth Congress,” mention was made
about House Bill No. 4253, entitled: “AN ACT
CREATING THE NATIONAL COMMISSION ON
MUSLIM FILIPINOS. He claimed that the
subject material failed to establish factual
information relating to said measure and thus
considered grossly erroneous and unfair to its
authors. He then asked the concerned House
officials to institute the appropriate corrections.

Thereupon, the Chair directed the Secretary
General to make the necessary corrections.

QUESTION OF PRIVILEGE OF
REP. CERILLES

Thereafter, the Chair recognized Rep. Antonio H. Cerilles on a question of personal and collective privilege relating to the probable postponement of the elections in the Autonomous Region in Muslim Mindanao (ARMM) in view of the two pending House bills that had been filed for the same purpose. Inasmuch as he is for the strengthening of the autonomous government in that region, he said that he would like to serve notice and caution to the House against proceeding with said measures because the Supreme Court had already made a ruling, in a landmark case, that Congress has no power to postpone any elections, nor shorten and extend the term of office of public officials.

Rep. Cerilles then expressed hope that the Members would support them because democracy can only be seen if there is an honest-to-goodness election.

Thereafter, the Chair recognized Rep. Simeon A. Datumanong for his interpellation.

INTERPELLATION OF REP. DATUMANONG

To Rep. Datumanong's queries, Rep. Cerilles replied that the ARMM should be considered as a local government unit. Adverting to Republic Act No. 7056, he mentioned provisions of the Constitution violated by said Act. Moreover, he maintained that officials of the autonomous government are local officials having a fixed term of office; it was Congress that fixed their term of office but the Supreme Court had opined that Congress cannot shorten or extend the term of office of the Members of Congress and likewise, members of the autonomous government. He said that it is very clear that only the barangay officials' elections can be postponed.

Rep. Datumanong clarified that what he was pointing out was that the term of office of the elected officials of the ARMM is fixed by law and as such, Congress can amend the law as it wills in accordance with compelling circumstances that may warrant the situation. He then expressed hope that they would one day come across a decision of the Supreme Court that can give the proper interpretation of the provision of the Constitution at a time when they would still be alive.

REFERRAL OF REP. CERILLES' SPEECH

On motion of Rep. Velarde, there being no objection, the Body referred the speech of Rep.

Cerilles and the interpellation thereon to the appropriate Committee.

ACKNOWLEDGMENT OF GUESTS

At this point, Rep. Velarde acknowledged the presence in the Session Hall of guests of Reps. Cerilles, Victor J. Yu and Benhur L. Salimbangon.

Thereafter, on motion of Rep. Velarde, the Chair recognized Rep. Antonio M. Diaz on a question of personal and collective privilege.

QUESTION OF PRIVILEGE OF REP. DIAZ

Rep. Diaz took the floor on matters affecting the dignity, integrity and respectability of his self and also the Members of the House. He pointed out that Secretary Jesli Lapus, after seeing the destruction and devastation caused by typhoon Cosme, sent P70 million to the division superintendent of schools without consulting the Congressman of the district concerned. He said that a Congressman of any district, either from the Majority or the Minority party, should always be consulted in matters affecting his district since consultation is not hard to do and that it is only a matter of courtesy.

Rep. Diaz suggested that the reconstruction of school rooms be done by qualified contractors. He lamented that he was not consulted by Secretary Lapus and the Division Superintendent of Schools on the matter, despite the fact that the Secretary was a former Congressman and therefore knows that the Members should be consulted first on any infrastructure projects in their districts. He thereupon moved that the proper Committee investigate Secretary Lapus' actions on the aforementioned incident in Zambales so that a similar incident would not happen again to any Member, regardless of his position and party affiliation.

At this point, Reps. Felix R. Alfelor Jr. and Antonio T. Kho sought recognition from the Chair.

REMARKS OF THE CHAIR

The Chair stated that Rep. Alfelor would be the first to have the floor, to be followed by Rep. Kho.

QUERY OF REP. KHO

Rep. Kho inquired whether Rep. Diaz would be

willing to be interpellated, to which the latter answered in the affirmative.

QUERY FROM THE CHAIR

The Chair stated that Rep. Alfelor was recognized ahead of Rep. Kho, and inquired whether the former was willing to yield the floor.

Rep. Alfelor answered that Rep. Kho would not interpellate Rep. Diaz, as he surmised that Rep. Kho would like to deliver a privilege speech. He stressed that his interpellation takes precedence over the delivery of a speech.

REMARKS OF REP. KHO

Rep. Kho however reserved his right to interpellate Rep. Diaz after Rep. Alfelor's interpellation.

INTERPELLATION OF REP. ALFELOR

In his brief interpellation, Rep. Alfelor disclosed that the situation mentioned by Rep. Diaz also happened in Albay and Camarines Sur. He said that de-spite the President's order to stop the construction of school buildings as the DPWH is more qualified to perform the task, still, the DepEd had interfered. He inquired what should be done with the anomalous manner by which the DepEd had taken over said construction, this as he stressed that the matter is an insult both to the Members and the DPWH that he would support any resolution condemning it.

Rep. Diaz, in response, referred to his motion for the appropriate Committee to investigate the incident in Zambales, and cautioned the House in giving the DepEd's budget because of its mishandling of funds. He agreed that the Department's actuations were in-deed an insult to the Members and should not be taken lightly as these would render them useless in their respective districts.

INTERPELLATION OF REP. KHO

To Rep. Kho's queries as to why the DepEd has interfered with the infrastructure projects that should be implemented only by the DPWH and local government units, Rep. Diaz expressed surprise that the DepEd had eagerly embarked on the massive construction projects in Zambales and Pangasinan, as this is now a problem not only of the two provinces but of all the districts in the country. He affirmed that

the DepEd should have consulted first the respective Congressmen, and agreed that any substandard projects will only be blamed on them. He thanked Rep. Kho for his motion to refer the privilege speech to the proper Committee for immediate investigation.

REFERRAL OF REP. DIAZ' SPEECH

On motion of Rep. Velarde, there being no objection, the Body referred the speech of Rep. Diaz to the appropriate Committee.

THE PRIVILEGE HOUR

With the permission of the Speaker and the unanimous consent of the Members, on motion of Rep. Velarde, there being no objection, the Chair declared a Privilege Hour.

On motion of Rep. Velarde, the Chair recognized Rep. Ana Theresia N. Hontiveros-Baraquel to deliver her privilege speech.
PRIVILEGE SPEECH OF REP. HONTIVEROS-BARAQUEL

Rep. Hontiveros-Baraquel initially narrated to her colleagues the bitter experiences of ordinary Filipino farmers and their families in several parts of the country, which she said should be taken into consideration by the Members as they continue their de-bates on the bill extending the land acquisition and distribution (LAD) component of the Comprehensive Agrarian Reform Program (CARP). She stressed that their proposed amendments to the CARP in this respect should articulate the hopes and aspirations of the peasants and should be borne out of a sincere de-sire to address rural poverty and social injustice. She urged the House to strongly resist the following so-called reforms: (1) the proposed inclusion in the bill of the farmland-as-collateral provision, which would only hinder the CARP objectives of equitable distribution and access to land; and (2) the proposal to encourage corporate farming, which would cause farmers to lose control over their awarded CARP lands. She underscored that these proposals would only negate the very essence of agrarian reform and heighten the sufferings of the Filipino farmer.

She noted that Congress owes the Filipino farmers a lot because it failed to pass the CARP Extension with Reforms Bill on June 10, 2008. She thereafter suggested that the House should think of reasonable, humane and pro-peasant reforms that would address the issue

of food security, lead to a genuine and sustainable countryside reform, and would best serve the interest of the farmers.

REFERRAL OF REP. HONTIVEROS-BARAQUEL'S SPEECH

On motion of Rep. Velarde, there being no objection, the Body referred the privilege speech of Rep. Hontiveros-Baraquel to the appropriate Committee.

PRIVILEGE SPEECH OF REP. UMALI (A.)

Upon recognition by the Chair, Rep. Alfonso V. Umali Jr. called the attention of the Body to the plight of his constituents, the 50 inorganic employees of the Southern Mindoro District Engineering Office (SMDEO) who have a pending request before the DPWH and the Department of Budget and Management (DBM) for the regularization of their employment status. He surmised that these employees are in the same quandary as the inorganic DEO personnel from 27 other congressional districts which he enumerated. He disclosed that the proposal for regularization was pending with the DBM because it was overtaken by the issuance of Executive Order (EO) No. 366, providing for a rationalization of the functions and agencies of the Executive Department.

He lamented that the DPWH and the DBM seem to neglect to regularize the inorganic personnel of the newly created Engineering District and that the inexcusable inaction of said government agencies is un-duly causing decadence in the reliability of the government to address the basic principle of fair play and social justice which has created widespread demoralization in the ranks of the Engineering District employees.

Thereupon, Rep. Umali stressed that there is no legal and administrative impediment to fully activate the SMDEO and regularize all the casual employees therein and that the DPWH and DBM should be re-minded that rationalization concerns of Executive Order (EO) No. 366 cannot defeat the mandate of RA 9050.

In conclusion, Rep. Umali echoed the pleas of his constituents to the DPWH and DBM for security of tenure through the immediate implementation of RA 9050.

Thereafter, on motion of Rep. Velarde, the Chair recognized Rep. Hermilando I. Mandanas

for his interpellation.

INTERPELLATION OF REP. MANDANAS

Rep. Mandanas inquired whether there were many engineering district offices created all over the country by virtue of the enactment of RAs, and the number of personnel affected by the inaction of the DPWH.

Agreeing therewith, Rep. Umali (A.), stated that the Engineering District Offices were created in 2001 and that there are about a thousand employees that have been affected by the rationalization plan of the government. As he affirmed that RAs carry more weight than EOs, he urged the DPWH to respect the laws created by Congress.

In conclusion, Rep. Mandanas urged the Members to recognize the efforts done by more than a thousand public servants which are affected by the inaction of the DPWH and the DBM and take the necessary course of action that would give them security of tenure.

SUSPENSION OF SESSION

Thereupon, on motion of Rep. Velarde, the session was suspended at 6:12 p.m.

RESUMPTION OF SESSION

At 6:12 p.m., the session was resumed.

REFERRAL OF REP. UMALI'S (A.) SPEECH

Thereafter, on motion of Rep. Velarde, the Body referred the speech of Rep. Umali (A.), together with the interpellation thereon, to the appropriate Committee.

ACKNOWLEDGMENT OF GUEST

At this point, Rep. Velarde recognized the presence in the Session Hall of the guest of Rep. Ignacio "Iggy" T. Arroyo.

Subsequently, on motion of Rep. Velarde, the Chair recognized Rep. Wilfrido Mark M. Enverga for his privilege speech.

PRIVILEGE SPEECH OF REP. ENVERGA

Rep. Enverga talked about the shabu raid amounting to P300 million made by the combined elements of the Philippine National Police (PNP) and the Philippine Drug Enforcement Agency (PDEA) on a laboratory in Real, Quezon wherein six men belonging to the "Ah Chang" syndicate were caught. As he commended PNP Regional Director Ricardo

Padilla and PDEA Director General Dionisio R. Santiago, he informed the Body that he had filed House Resolution No. 660 commending the PDEA and urged the Members to put an end to the drug trafficking problem and prosecute the people involved.

Rep. Enverga stressed that keen enforcement of the law against illegal drug use and trafficking should be undertaken. He then urged the PDEA and other anti-drug enforcement agencies to strengthen their drive to eliminate illegal drugs and further protect the First District of Quezon which is being made as a transient point of drug trafficking.

REFERRAL OF REP. ENVERGA'S SPEECH

Thereafter, on motion of Rep. Velarde, the Body referred the speech of Rep. Enverga to the appropriate Committee.

TERMINATION OF THE PRIVILEGE HOUR

Rep. Velarde thereafter moved that the Body terminate the Privilege Hour and there being no objection, the Body approved the same.

REFERRAL OF REP. DIAZ' SPEECH

On motion of Rep. Velarde, the Body referred the speech of Rep. Diaz, together with the interpellations thereon, to the Committee on Good Government and Public Accountability.

ADDITIONAL REFERENCE OF BUSINESS

On motion of Rep. Velarde, there being no objection, the Body proceeded to the Additional Reference of Business.
