AN ACT
INSTITUTIONALIZING THE PANTAWID PAMILYANG PILIPINO PROGRAM (4Ps)
TO REDUCE POVERTY AND PROMOTE HUMAN CAPITAL DEVELOPMENT AND
PROVIDING FUNDS THEREFOR

EXPLANATORY NOTE

Mass poverty is perennial problem of emerging economies like the Philippines.

Abject poverty and extreme want sap the human being of dignity and limit the capacity to live a full life, thus, the need to constantly come up with institutional and operational innovations to alleviate poverty.

Governments continue to formulate and design sustainable and comprehensive programs to keep poverty at a minimum level, if not to eradicate it altogether. These programs consider the need to deliver adequate basic services, such as food security, income security, education, functional literacy, and health care services.

Short term and long term strategies and programs were designed in the past administration to impact on lives of the extremely poor such as the Pantawid Pamilyang Pilipino Program (4Ps).

The 4Ps is a flagship anti poverty program of the government that grants conditional cash subsidy to the poorest households in the country to improve their health, nutrition and education. The program is basically intended to immediately impact on the poverty situation of the poorest families by granting them conditional cash benefits and in the long term, break the vicious of poverty by investing in human capital such as sending the children to school and bringing them to health care centers on a regular basis.

The 4Ps is patterned after the Latin American Conditional Cash Transfer (CCT) Programs, the largest of which is Bolsa Familia Program (Bolsa Familia).

The 4Ps, our own version of the Bolsa Familia, contributes to alleviating the poverty situation of target beneficiaries, especially the extremely poor Filipinos. By investing in human capital, this program has the potential to break the backbone of poverty in the country and create opportunities to live a full, productive and meaningful life.

Said bill was approved on the Third Reading at the House of Representatives on Feb 01, 2016. It was sent to Senate on February 04, 2016.

The early passage of this bill is strongly recommended.
