HOUSE BILL No. 6695

Introduced by: **HON. MARISOL C. PANOTES**

#### EXPLANATORY NOTE

This bill seeks to increase the monetary and non-monetary benefits of barangay officials, including barangay tanods and members of the Lupong Tagapamayapa.

Republic Act No. 7160 otherwise known as the Local Government Code of 1991 was considered as the linchpin of the administration of then President Corazon C. Aquino due mainly to the gargantuan powers and responsibilities which had been devolved to local government units. Even the officials occupying elective and appointive posts in the smallest political units called barangays, enjoy certain powers, responsibilities and privileges. These powers and responsibilities should be matched with certain benefits and privileges considering the fact that these barangay officials are considered the front-liners in the delivery of basic services to our people, especially in far-flung barangays.

Several attempts had been made to increase the benefits and privileges of our barangay officials but all the efforts of Congress in the past came to naught due to lack of funds. It is necessary however, to find other ways in order to grant the long overdue benefits to our hardworking barangay officials. Under this bill, an amount equivalent to one percent (1%) of the share of the national government under Section 284 of the Local Government Code of 1991, as amended shall be used for this purpose. The proceeds shall be lumped in the *Barangay Retirement Gratuity Fund (BRGF)* to be created for the purpose, which shall be used to fund the retirement gratuity and other benefits of barangay officials, including barangay tanods and members of the Lupong ng Tagapamayapa. The Department of the Interior and Local Government (DILG) shall administer and ensure the appropriate disbursement of the Fund.

In view of the foregoing reasons, the immediate approval of this important piece of legislation is earnestly sought.
