HOUSE BILL NO. _____

Introduced by **HON. LUIS RAYMUND "LRAY" F. VILLAFUERTE, JR.**

EXPLANATORY NOTE

The bill proposes the amendment of Section 5(a) of Presidential Decree No. 1638, entitled "Establishing A New System of Retirement and Separation for Military Personnel of the Armed Forces of the Philippines (AFP) and for Other Purposes," as amended by Presidential Decree No. 1650 which sets the mandatory retirement age for military personnel and officers at 56 years old to extend the compulsory retirement age to 65 years old.

It is recognized that the service provided by military officers and personnel is sui generis in its very nature. Members of the AFP are often required to live away from their families and are exposed to danger. They are also subject to extensive and grueling physical and mental training throughout their careers. Hence, the State constantly endeavors to provide them with compensation and benefits package in consideration of their sacrifices, and a lower compulsory retirement age so that they could still enjoy productive civilian lives with their families away from combat.

However, Presidential Decrees 1638 and 1650 which set the current retirement age at 56 years old were issued almost four decades ago. Since then, technological advancements in medicine and medical equipment have prolonged life expectancies worldwide, and allowed individuals to live healthy lives even at advanced age. This

fact is reflected in a recent trend of increased compulsory retirement age among several countries including Australia, Belgium, Germany, and several others. These countries recently passed legislation to extend the compulsory retirement age to 67 years old.

This Representation finds it worthy to revisit the aforementioned laws and amend the same to keep up with recent developments. A later compulsory retirement age of 65 years old would also allow the government to benefit from the experience and expertise of our armed officers without necessarily requiring them to remain on the battleground.

In consideration of the foregoing premises, the swift passage of this Bill is sought.
