HOUSE BILL NO. 3133

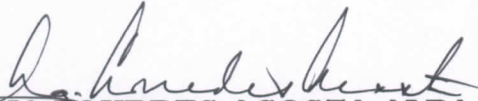

Introduced by Representative Maria Lourdes O. Acosta-Alba

EXPLANATORY NOTE

With the increasing trend of demands from our people, it is a must to have services accessible to them that will ensure safety and compliance to various transportation laws, rules and regulations.

This is the spirit of this legislative measure: to make the services of the Land Transportation Office (LTO) readily available to the residents of the First District of Bukidnon, and at the same time, help the government to regulate and monitor individuals who might not comply with transportation laws, particularly on driving without a license or using unregistered vehicles. In view of the foregoing, the passage of this bill is earnestly sought.

Further, this Proposal was already approved on Third Reading in the 17th Congress. In view of the foregoing, the passage of this Bill is earnestly sought.
