HOUSE BILL NO. 3501

Introduced by **Representative "KUYA" JOSE ANTONIO R. SY-ALVARADO**

**AN ACT  
ESTABLISHING A NATIONAL SEX OFFENDER REGISTRATION DATABASE  
AND FOR OTHER PURPOSES**

**EXPLANATORY NOTE**

The women and children in our country should be protected against the disturbingly increasing incidents and reports of sex-related offenses. The existing statutory enactments are not sufficient in order to prevent or eradicate these kinds of crimes.

The purpose of this bill is to provide a national data base for sex-related offenders in order for the public to be apprised of the identity of these culprits. These data will be beneficial not only for the general public but also for the non-governmental entities engaged in the advocacy of women and children protection.

In view of the foregoing, the approval of this bill is earnestly sought.
