Introduced by HON. ALAN "ALDU" R. DUJALI

EXPLANATORY NOTE

This proposed bill seeks the creation of a District Engineering Office of the Department of Public Works and Highways (DPWH) in the Island Garden City of Samal (IGaCOS).

The creation of a District Engineering Office of the Department of Public Works and Highways (DPWH) in the Island Garden City of Samal (IGaCOS) is necessary in the delegation of appropriate responsibility on the construction and maintenance of the Island's infrastructure. Since IGaCOS is detached from the mainland, the establishment of a DPWH District Engineering Office there will help improve DPWH's efficiency in its delivery of services in the Island.

The District Engineering Office of the Department of Public Works and Highways in the Island Garden City of Samal (IGaCOS) shall be in charge of the planning, design, construction, and maintenance of the infrastructure and amenities of the island in accordance to the objectives of the national government towards infrastructure development.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
