Second Regular Session

HOUSE BILL NO. 6991

Introduced by HONORABLE PETER JOHN D. CALDERON
7th District of Cebu

EXPLANATORY NOTE

This bill seeks to extend the franchise granted to GVM Radio/TV Corporation under Republic Act 8129, which allows it to construct, operate, and maintain radio and television stations in Cebu City and other areas in the Philippines where frequencies and/or channels still available for religious, educational, cultural and commercial purposes.

GVM Radio/TV Corporation operates and maintains DYIO-FM in Cebu City, broadcasting quality contemporary radio hits, news and information, as well as emergency and traffic updates at a frequency of 101.1 MHz; reaching listeners in Cebu, Dumaguete, Ormoc, Tagbilaran, Dipolog and even parts of Northern Mindanao.

Radio broadcasting, as an essential part of mass media, plays a vital role in nation-building. GVM Radio/TV Corporation provides this public service and contributes to the development of the region by providing relevant and timely headline news and information in the world of sports, technology, business and entertainment, both here and abroad. The shareholders and managers of the company are well aware of their responsibility of using broadcasting as a tool of social change and development. Even in this advanced age of technology and communications, radio broadcasting remains a relevant medium because of its ability to reach audiences belonging to different social classes and demographics.

The original franchise granted to GVM Radio/TV Corporation lapsed into law on 16 July 1995 and its term will expire on July 2020. It is therefore requested that the renewal of this Congressional Franchise be granted so that applicant-corporation can continue the operation and maintenance of the subject broadcast station.

The grantee shall not dispose nor lease its facilities except to entities with radio or television franchise; Provided, That the grantee shall inform and secure written authorization to proceed from the NTC, and report the transaction to the NTC within sixty (60) days after its completion; Provided, further, That the NTC shall determine the corresponding sanction for any violation of this provision.

SECTION 4. Responsibility to the Public.— The grantee shall provide, free of charge, adequate public service time which is reasonable and sufficient to enable the government, through said broadcasting stations or facilities of the grantee, to reach the population on important public issues and relay important public announcements and warnings concerning public emergencies; provide at all times sound and balanced programming; assist in the functions of public information and education; conform to the ethics of honest enterprise; and not use its stations for the broadcasting of obscene and indecent language, speech, act or scene; or for the dissemination of deliberately false information or willful misrepresentation to the detriment of the public interest; or to incite, encourage, or assist in subversive or treasonable acts.

Public service time referred herein shall be equivalent to a maximum aggregate of ten percent (10%) of paid commercials or advertisements which shall be allocated based on need to the executive, legislative, judiciary, constitutional commissions and international humanitarian organizations duly recognized by statutes; Provided, That the NTC shall increase the public service time in case of extreme emergency or calamity. The NTC shall issue rules and regulations for this purpose, the effectivity of which shall commence upon applicability with other similarly situated broadcast network franchise holders.

SECTION 7. Self-Regulation and Undertaking of Grantee. — The grantee shall not require any previous censorship of any speech, play or scene or other matter to be broadcast from its stations, but if such speech, play, act or scene, or other matter should constitute a violation of the law or infringement of a private right, the grantee shall be free of any liability, civil or criminal, for such speech, play, act or scene, or other matter: Provided, That the grantee,
during any broadcast shall cut off the airing of speech, play, act or scene or other matter being broadcast if the tendency thereof is to propose and/or incite treason, rebellion or sedition, or the language used therein or the theme thereof is indecent or immoral. Provided, further, That willful failure to do so shall constitute a valid cause for the cancellation of this franchise.

SECTION 8. Warranty in Favor of National and Local Governments. — The grantee shall hold the national, provincial, city and municipal governments of the Philippines free from all claims, accounts, demands or actions arising out of accidents or injuries, whether to property or to persons, caused by the construction or operation of the stations of the grantee.

That the employment opportunities or jobs created shall be reflected in the General Information Sheet (GIS) to be submitted to the Securities and Exchange Commission annually.

Congress shall be informed of any sale, lease, transfer, grant of usufruct, or assignment of the franchise or the rights and privileges acquired thereunder, or the merger or transfer of the controlling interest of the grantee, within sixty (60) days after the completion of said transaction. Failure to report to Congress such change of ownership shall render the franchise ipso facto revoked. Any person or entity to which this franchise is sold, transferred or assigned shall be subject to all the same conditions, terms, restrictions, and limitations of this Act.

SECTION 11. Dispersal of Ownership. — In accordance with the constitutional provision to encourage public participation in public utilities, the grantee shall offer to Filipino citizens at least thirty percent (30%) or a higher percentage that may hereafter be provided by law of its outstanding capital stock in any securities exchange in the Philippines within five (5) years from the commencement of its operation: Provided, That in cases where public offer of shares is not applicable, the grantee shall apply other methods of encouraging public participation by citizens and corporations operating public utilities as allowed by law. Non-compliance therewith shall render the franchise ipso facto revoked.

SECTION 12. Reportorial Requirement. — The grantee shall submit an annual report to the Congress of the Philippines, through the Committee on Legislative Franchises of the House of Representatives and the Committee on Public Services of the Philippine Senate, on
its compliance with the terms and conditions of the franchise and on its operations on or before April 30 of every year during the term of its franchise.

SECTION 13. Fine. — Failure of the grantee to submit the requisite annual report to Congress shall be penalized by a fine of Five Hundred Pesos (P500.00) per working day of noncompliance. SECTION 15. Repealability and Nonexclusivity Clause. — This franchise shall be subject to amendment, alteration, or repeal by the Congress of the Philippines when public interest so requires and shall not be interpreted as an exclusive grant of the privileges herein provided for.

SECTION 16. Separability Clause. — If any of the sections or provisions of this Act is held invalid, all the other provisions not affected thereby shall remain valid.

SECTION 17. Repealing Clause. — All laws, decrees, orders, resolutions, instructions, rules or regulations, and other issuances or parts thereof which are inconsistent with this Act are hereby repealed, amended, or modified accordingly.
