HOUSE BILL NO. 7061

AN ACT

RENEWING FOR ANOTHER TWENTY-FIVE (25) YEARS THE FRANCHISE GRANTED TO IPIL BROADCASTING NEWS NETWORK, INC., AMENDING FOR THAT PURPOSE REPUBLIC ACT 8094, AND EXPANDING ITS COVERAGE TO THE ENTIRE VISAYAS AND MINDANAO ISLANDS

EXPLANATORY NOTE

This bill seeks to renew the franchise granted to Ipil Broadcasting News Network, Inc. under Republic Act No. 8094 which took effect of July 6, 1995.

While ideally filing should have been made much earlier, the grantee invokes the impact on its ability to gather documents/clearances and its regular operations of the outbreak of Covid-19 and the community quarantines previously and presently imposed in various localities around the country. Thus, grantee seeks the indulgence of this August Body for not renewing earlier given that the legislative process entails considerable time due to public hearings and conferences in both Houses of Congress.

Ipil Broadcasting News Network, Inc. was a pioneering radio station serving Ipil and the surrounding municipalities which were then part of the third district of Zamboanga del Sur before the new Province of Zamboanga Sibugay was created, of which Ipil became the capital town. It is axiomatic that radio broadcast played a vital role in the growth and
development of that part of the country where access to other means of communication and information were limited. Mindful of this responsibility and challenge, the grantee has been steadfast in espousing well-balanced programming as well as quality broadcasting. Moreover, it is conscious of its role as an important and truthful State partner by adhering to the provision of the 1987 Constitution which laid down the pertinent State policy thus: “The state recognizes the vital role of communication and information in nation-building.”

In view of the foregoing, passage and approval of this bill is earnestly sought.
