HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 941

Introduced by **MAGDALO Party-List Representative**
HON. MANUEL DG. CABOCHAN III

EXPLANATORY NOTE

The positions of Chief of Staff of the Armed Forces of the Philippines (AFP) as well as those of the Major Services Commanders of the AFP, namely: (a) Commanding General of the Philippine Army; (b) Flag Officer in Command of the Philippine Navy (PN); and (c) Commanding General of the Philippine Air Force (PAF) are very critical and sensitive positions, involving as they do the leadership of the Armed Services entrusted with the security and defense of the country. The problem is that because of the fact that the appointing authority is usually limited in his choice to only the most senior officers of the AFP, the appointees normally serve for only very short periods of time, usually for just one (1) year or even less before going into retirement.

There is no doubt that this state of things is adversely affecting the AFP and the nation, with the Chief of Staff of the AFP and Chiefs of the Major Services only staying long enough to warm up their seats but not long enough to be able to develop, put into place and implement meaningful medium and long term plans and programs for their commands. Moreover, the appointees to the subject positions are prone to being "politicized" with the positions being dangled before potential appointees under such dubious practices like the "revolving door policy" which was previously practiced by the current administration.

This bill, hence, proposes to provide for a fixed term of three (3) years for the Chief of Staff of the AFP as well as his Major Services Commanders. The idea is to give them a fixed term or tenure to provide for continuity and stability in the leadership of the AFP and shield the same from the perils of partisan politics.

In view of the foregoing circumstances, approval of this bill is urgently requested.
