Be it enacted by the Senate and House of Representatives of the Philippines in Congress

SECTION 1. Nature and Scope of Franchise. – Subject to the provisions of the
Constitution and applicable laws, rules and regulations, the franchise granted to the
University of the Philippines System, hereunder referred to as the grantee, its successor
or assignees under Republic Act No. 8160, to construct, establish, maintain, and operate

SEC. 2. Manner of Operation of Stations or Facilities. – The stations or facilities
of the grantee shall be constructed and operated in a manner as will, at most, result only
in the minimum interference on the wavelengths or frequencies of existing stations or
other stations which may be established by law, without in any way diminishing its own
privilege to use its assigned wavelengths or frequencies and the quality of transmission
or reception thereon as should maximize rendition of the grantee’s services and
availability thereof.

SEC. 3. Prior Approval of the National Telecommunications Commission. – The
grantee shall secure from the National Telecommunications Commission (NTC) the
appropriate permits and licenses for the construction and operation of its stations or
facilities and shall not use any frequency in the radio and television spectrums without
authorization from the NTC. The NTC, however, shall not unreasonably withhold or delay
the grant of any such authority.

In case of any violation of the provisions of this franchise, the NTC shall have the
authority to revoke or suspend, after due process, the permits or licenses it issued
pursuant to the franchise. The NTC may recommend to Congress of the Philippines the
revocation of this franchise for any violation of its provisions.

SEC. 4. Responsibility to the Public. – The grantee shall strictly comply with the
provisions of the Constitution, statutes, rules and regulations, including labor laws and
standards. The grantee shall reach the pertinent populations or portions thereof on
important public issues and relay important public announcements and warnings
concerning public emergencies and calamities, as necessity, urgency or law may require;
provide, at all times sound and balanced programming; promote public participation;
assist in the functions of public information and education; conform to the ethics of honest
enterprise; promote audience sensibility and empowerment including closed captioning;
and not use its stations or facilities for the broadcasting of obscene or indecent language,
speech, act or scene, the dissemination of deliberately false information or willful
misrepresentation, to the detriment of public interest, or to incite, encourage, or assist in
subversive or treasonable acts.

air time of each broadcasting network to child-friendly shows within its regular
programming.

SEC. 5. Right of the Government. – The radio spectrum is a finite resource that
is part of the national patrimony, and the use thereof is a privilege conferred upon the
grantee by the State that may be withdrawn any time after due process.

A special right is hereby reserved to the President of the Philippines, in times of
war, rebellion, public peril, calamity, emergency, disaster, or disturbance of peace and
order, to temporarily take over and operate the stations or facilities of the grantee; to
temporarily suspend the operation of any station or facility in the interest of public safety,
security and public welfare; or to authorize the temporary use and operation thereof by
any agency of the government, upon due compensation to the grantee, for the use of said
stations or facilities during the period when these shall be so operated.

SEC. 6. Term of Franchise. – This franchise shall be in effect for a period of
twenty-five (25) years from the effectivity of this Act, unless sooner revoked or cancelled.
This franchise shall be deemed ipso facto revoked in the event the grantee fails to operate
continuously for two (2) years.

SEC. 7. Tax Provision. – Being part of the government, the grantee shall be
exempt from paying all taxes and fees as provided in Section 25 of Republic Act No. 9500
or “The University of the Philippines Charter of 2008”.

SEC. 8. Self-regulation by and Undertaking of Grantee. – The grantee shall not
require any previous censorship of any speech, play, act or scene, or other matter to be
broadcast from its stations, but if any such speech, play, act or scene, or other matter
should constitute a violation of the law or infringement of a private right, the grantee shall
be free from any liability, civil or criminal, for such speech, play, act or scene, or other matter: Provided, That the grantee, during any broadcast, shall cut off the airing of speech, play, act or scene, or other matter being broadcast if the tendency thereof is to propose and/or incite treason, rebellion or sedition; or the language used therein or the theme thereof is indecent or immoral: Provided, further, That willful failure to do so shall constitute a valid cause for the cancellation of this franchise.

SEC. 9. Warranty in Favor of the National and Local Governments. – The grantee shall hold the national, provincial, city, and municipal governments of the Philippines free from all claims, liabilities, demands, or actions arising out of accidents causing injury to persons or damage to properties, during the construction or operation of the stations of the grantee.

SEC. 10. Sale, Lease, Transfer, Grant of Usufruct, or Assignment of Franchise. – The grantee shall not sell, lease, transfer, grant the usufruct of, nor assign this franchise or the rights and privileges acquired thereunder to any person, firm, company, corporation or other commercial or legal entity.

SEC. 11. Reportorial Requirement. – The grantee shall submit an annual report on its compliance with the terms and conditions of the franchise and on its operations to the Congress, through the Committee on Legislative Franchises of the House of Representatives and the Committee on Public Services of the Senate, on or before April 30 of every year during the term of its franchise.

The annual report shall include an update on the roll-out, development, operation and/or expansion of business; audited financial statements; and certification of the NTC on the status of its permits and operations.

The reportorial compliance certificate issued by Congress shall be required before any application for permit or certificate is accepted by the NTC.

SEC. 12. Fine. – The failure of the grantee to submit the requisite annual report to Congress shall be penalized by a fine of Five hundred pesos (P500.00) per working day of noncompliance. The fine shall be collected by the NTC from the delinquent franchisee separate from the reportorial penalties imposed by the NTC and the same shall be remitted to the Bureau of the Treasury.

SEC. 13. Equality Clause. – Any advantage, favor, privilege, exemption, or immunity granted under existing franchises, or which may hereafter be granted for radio and/or television broadcasting, upon prior review and approval of Congress, shall become part of this franchise and shall be accorded immediately and unconditionally to the herein grantee: Provided, That the foregoing shall neither apply to nor affect the provisions of broadcasting franchises concerning territorial coverage, the term, or the type of service authorized by the franchise.

SEC. 14. Repealability and Nonexclusivity Clause. – This franchise shall be subject to amendment, alteration, or repeal by Congress when the public interest so requires and shall not be interpreted as an exclusive grant of the privileges herein provided for.
