H.B. No. 6664

Introduced by Representative TEODORICO "NONONG" T. HARESCO, JR.

EXPLANATORY NOTE

The Land Transportation Office (LTO), a sectoral agency of the Department of Transportation (DOTr) by virtue of Executive Order (E.O.) No. 125 and 125A dated April 13, 1987 and E.O. No. 226 dated July 25, 1987, is tasked to register motor vehicles, issue driver's and/or conductor's licenses and permit, enforce transportation laws, rules and regulations and adjudicate apprehension cases.

The creation of an LTO District Office in the Municipality of Ibajay, Western Aklan will address the increasing number of transactions per year in the Province. While there is a newly set-up LTO Satellite Office in Malay, the creation of a designated LTO office that will cater the municipalities in the second district will further decongest the transactions.

In addition, the creation of regular plantilla positions in the proposed Regular District Office will help raise the morale and productivity of the workforce, and make it more responsive to the needs of the Second District. There will also be procurement of adequate and modern equipment which shall help deliver its services more efficiently, expeditiously, and securely to the increasing number of registrants.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
