HOUSE BILL NO. 6440

Introduced by Representative Divina Grace C. Yu
1st District, Zamboanga Del Sur

EXPLANATORY NOTE

This bill seeks to convert Molave Extension Office of the Land Transportation Office located at Rizal Avenue, Municipality of Molave, Province of Zamboanga del Sur into a regular LTO District Office.

Molave Extension Office is geographically situated at the heart of the First District of Zamboanga del Sur. After several years of operation, its volume of transactions considerably increased way ahead of its function as a satellite office.

In 2019, this office registered a total of 15,055 vehicles. It had issued 2,486 new driver's licenses, 2,007 driver's licenses renewal and 8,222 student permits. The average daily customer ranges from 180-200 clients.

The nearest LTO office is in Pagadian City. However, it also burdened by voluminous transactions relative to vehicle registration, issuance of driver's license and other adjudicative functions mandated to it by law.

As a District Office, it would be able to have its own plantilla and permanent employees and updated equipments to respond to the growing demands. Currently, there are only four (4) regular employees and four (4) Job Order Personnel who run the office on a daily basis. This has become relatively inadequate to meet the vision of the LTO in showcasing fast and efficient public service for a progressive land transport sector. Hence, conversion of this Extension office into a regular LTO Office is indispensable.

In view of the foregoing, approval of this bill is hereby proposed.
