Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City
EIGHTEENTH CONGRESS
Second Regular Session

COMMITTEE REPORT NO. 897

Submitted by the Committee on Ecology and the Committee on Ways and Means on
MAR 25 2021
Re: House Bill No. 9147

Recommending its approval in substitution of House Bills Numbered 103, 139, 499, 546, 574, 635, 1754, 1837, 2396, 2484, 2811, 2969, 3140, 3338, 3536, 3537, 3723, 3725, 4339, 4435, 4644, 4724, 4827, 5048, 5312, 5383, 5411, 5489, 5623, 5772, 5773, 6076, 6085, 6180, 6279, 6640 and 6744; and House Resolutions Numbered 213, 261, 553 and 1024.
Sponsors: Representatives Lord Allan Jay Q. Velasco, Glona G. Labadlabad, Joey Sarte Salceda, Francisco “Kiko” B. Benitez, Estrellita B. Suansing and Ruffy B. Biazon

Mr. Speaker:

The Committee on Ecology and Committee on Ways and Means, to which were referred House Bill No. 2396, introduced by Rep. Lord Allan Jay Q. Velasco, entitled:

“AN ACT PROHIBITING THE PRODUCTION, IMPORTATION, SALE, PROVISION, AND USE OF SINGLE-USE PLASTICS AND FOR OTHER PURPOSES”;

House Bill No. 103, introduced by Rep. Lawrence “Law” H. Fortun, entitled:

“AN ACT REGULATING THE PRODUCTION, IMPORTATION, SALE, PROVISION, USE, RECOVERY, COLLECTION, RECYCLING, AND DISPOSAL OF PLASTIC PRODUCTS”;

House Bill No. 139, introduced by Rep. Geraldine B. Roman, entitled:

“AN ACT PHASING OUT AND PROHIBITING THE MANUFACTURE, IMPORTATION, SALE, AND USE OF SINGLE-USE PLASTIC PRODUCTS, PROMOTING RECYCLING, AND PROVIDING FUNDS THEREFOR”;

House Bill No. 499, introduced by Rep. Robert Ace S. Barbers, entitled:

“AN ACT BANNING THE PRODUCTION AND USAGE OF SINGLE-USE PLASTIC PRODUCTS NATIONWIDE, AND PROVIDING PENALTIES FOR VIOLATIONS THEREOF”;

1
House Bill No. 546, introduced by Rep. Ruffy B. Biazon, entitled:

"AN ACT PROVIDING FOR THE PHASE-OUT OF SINGLE-USE PLASTIC PRODUCTS IN THE COUNTRY AND FOR OTHER PURPOSES";

House Bill No. 574, introduced by Rep. Greg G. Gasataya, entitled:

"AN ACT REGULATING THE MANUFACTURING, IMPORTATION, AND USE OF SINGLE-USE PLASTIC PRODUCTS, AND PROVIDING PENALTIES, LEVIES, AND AN INCENTIVES SYSTEM FOR INDUSTRIES, BUSINESS ENTERPRISES AND CONSUMERS THEREOF";

House Bill No. 635, introduced by Rep. Loren B. Legarda, entitled:

"AN ACT REGULATING THE MANUFACTURING, IMPORTATION AND USE OF SINGLE-USE PLASTIC PRODUCTS, AND PROVIDING PENALTIES, LEVIES AND INCENTIVES SYSTEM FOR INDUSTRIES, BUSINESS ENTERPRISES AND CONSUMERS THEREOF";

House Bill No. 1754, introduced by Rep. Luis Raymund "L.Ray" F. Villafuerte, Jr., entitled:

"AN ACT REGULATING THE PRODUCTION, IMPORTATION, SALE, PROVISION, USE, RECOVERY, COLLECTION, RECYCLING AND DISPOSAL OF PLASTIC BAGS";

House Bill No. 1837, introduced by Rep. Rufus B. Rodriguez, entitled:

"AN ACT MANDATING THE USE OF RECYCLABLE OR BIODEGRADABLE MATERIALS FOR THE PACKAGING OF CONSUMER PRODUCTS";

House Bill No. 2484, introduced by Reps. Estrellita B. Suansing and Horacio P. Suansing, Jr., entitled:

"AN ACT REGULATING THE PRODUCTION, IMPORTATION, SALE, PROVISION, USE, RECOVERY, COLLECTION, RECYCLING AND DISPOSAL OF PLASTIC PRODUCTS";

House Bill No. 2811, introduced by Rep. Rufus B. Rodriguez, entitled:

"AN ACT REGULATING THE PRODUCTION, IMPORTATION, SALE, PROVISION, USE, RECOVERY, COLLECTION, RECYCLING AND DISPOSAL OF PLASTIC BAGS";
House Bill No. 2969, introduced by Rep. Lorenz R. Defensor, entitled:

"AN ACT PROHIBITING THE USE OF PLASTICS, OTHER NON-BiodeGRADABLE MATERIAL, AND HAZARDOUS SUBSTANCES IN ADVERTISING GOODS, SERVICES, OR EVENTS, INCLUDING ELECTION PROPAGANDA, AND PROVIDING PENALTIES THEREFOR";

House Bill No. 3140, introduced by Rep. Jumel Anthony I. Espino, entitled:

"AN ACT REGULATING THE MANUFACTURING, IMPORTATION AND USE OF SINGLE USE PLASTIC PRODUCTS, AND PROVIDING PENALTIES, LEVIES AND AN INCENTIVES SYSTEM FOR INDUSTRIES, BUSINESS ENTERPRISES AND CONSUMERS THEREOF";

House Bill No. 3338, introduced by Rep. Bernadette "BH" Herrera-Dy, entitled:

"AN ACT BANNING THE USE OF SINGLE-USE PLASTICS NATIONWIDE TO ELIMINATE PLASTIC POLLUTION IN THE PHILIPPINES";

House Bill No. 3536, introduced by Rep. Precious Hipolito Castelo, entitled:

"AN ACT MANDATING ALL RESTAURANTS, HOTELS, INNS, FASTFOOD CENTERS, EATERIES AND SIMILAR ESTABLISHMENTS TO PROHIBIT THE USE OF DRINKING PLASTIC STRAWS AND PROVIDING PENALTIES FOR VIOLATIONS";

House Bill No. 3537, introduced by Rep. Precious Hipolito Castelo, entitled:

"AN ACT BANNING USE OF SINGLE-USE PLASTIC SHOPPING BAGS AT GROCERY STORES, CONVENIENCE STORES, DRUG STORES, DELICATESSENS OR SIMILAR MARKETPLACE IN ORDER TO PROTECT THE ENVIRONMENT AND FOR OTHER PURPOSES";

House Bill No. 3723, introduced by Rep. Joy Myra S. Tambunting, entitled:

"AN ACT INSTITUTIONALIZING THE CREATION OF "THE PLASTIC BAG RECYCLING ACT OF 2019" AND FOR OTHER PURPOSES";

House Bill No. 3725, introduced by Rep. Joy Myra S. Tambunting, entitled:

"AN ACT PROHIBITING THE USE OF DISPOSABLE POLYSTYRENE FOOD CONTAINER, DISPOSABLE NONRECYCLABLE PLASTIC FOOD CONTAINER, AND DISPOSABLE NONRECYCLABLE CONTENT PAPER CONTAINER, AND OTHER PURPOSES";
House Bill No. 4339, introduced by Rep. Angelo Marcos Barba, entitled:

“AN ACT REGULATING THE PRODUCTION, IMPORTATION, SALE, AND USE OF SINGLE-USE PLASTICS, PROVIDING FUNDS THEREFOR, AND FOR OTHER PURPOSES”;

House Bill No. 4435, introduced by Rep. Jose “Bong” J. Teves, Jr., entitled:

“AN ACT REGULATING AND FURTHER PROHIBITING THE USAGE OF SINGLE-USE PLASTIC PRODUCTS, PROVIDING PENALTIES, LEVIES AND INCENTIVES FOR INDUSTRIES, BUSINESS ENTITIES AND CONSUMERS THEREOF, AND FOR OTHER PURPOSES”;

House Bill No. 4644, introduced by Reps. Ria Christina G. Fariñas and Rudys Caesar G. Fariñas I, entitled:

“AN ACT REGULATING THE USE, MANUFACTURE, IMPORTATION AND DISPOSAL OF SINGLE-USE PLASTICS, AND PROVIDING PENALTIES, INCENTIVES AND LEVIES THEREFOR”;

House Bill No. 4724, introduced by Rep. Kristine Alexie B. Tutor, entitled:

“AN ACT PROHIBITING THE USE AND BRINGING IN OF SINGLE-USE PLASTICS BY INDIVIDUALS AND COMMERCIAL ESTABLISHMENTS INSIDE TOURIST SITES/DESTINATIONS”;

House Bill No. 4827, introduced by Rep. John Marvin “Yul Servo” C. Nieto, entitled:

“AN ACT MANDATING THE USE OF RECYCLABLE MATERIALS FOR THE PACKAGING OF CONSUMER PRODUCTS”;

House Bill No. 5048, introduced by Rep. Frederick W. Siao, entitled:

“AN ACT ESTABLISHING THE INCENTIVIZED SOLID WASTE REDEMPTION AND RECOVERY SYSTEMS, APPROPRIATING FUND THEREFOR, AND FOR OTHER PURPOSES”;

House Bill No. 5312, introduced by Rep. Frederick W. Siao, entitled:

“AN ACT ESTABLISHING A SOLID WASTE REDEMPTION AND RECOVERY SYSTEM AND APPROPRIATING FUNDS THEREFOR”;

House Bill No. 5383, introduced by Rep. Florencio G. Noel, entitled:

“AN ACT REGULATING THE USE, RECOVERY, COLLECTION, AND DISPOSAL OF PLASTIC DRINKING STRAWS IN COMMERCIAL ESTABLISHMENTS AND IN PRE-PACKED BEVERAGES”;
House Bill No. 5411, introduced by Rep. Ruffy B. Biazon, entitled:

"AN ACT MANDATING ALL RETAILERS OF CONSUMER PRODUCTS TO PROVIDE A PACKAGING WASTE COLLECTION SYSTEM AT SOURCE AND FOR OTHER PURPOSES";

House Bill No. 5489, introduced by Rep. Rodrigo A. Abellanosa, entitled:

"AN ACT PROHIBITING THE PRODUCTION, IMPORTATION, SALE, PROVISION, AND USE OF SINGLE-USE PLASTICS AND FOR OTHER PURPOSES";

House Bill No. 5623, introduced by Reps. Eric G. Yap and Paolo Z. Duterte, entitled:

"AN ACT BANNING THE USE OF SINGLE-USE PLASTICS NATIONWIDE TO ELIMINATE PLASTIC POLLUTION IN THE PHILIPPINES";

House Bill No. 5772, introduced by Rep. Josefina B. Tallado, entitled:

"AN ACT BANNING SINGLE-USE PLASTICS NATIONWIDE AND APPROPRIATING FUNDS THEREFOR";

House Bill No. 5773, introduced by Rep. Bienvenido M. Abante, Jr., entitled:

"AN ACT BANNING THE MANUFACTURE, IMPORTATION, SALE, AND USE OF SINGLE-USE PLASTIC PRODUCTS, PROVIDING FUNDS THEREFOR, AND FOR OTHER PURPOSE";

House Bill No. 6076, introduced by Rep. Ramon "Mon-Mon" V. Guico III, entitled:

"AN ACT IMPOSING A NATIONWIDE BAN ON THE USE OF SINGLE-USE PLASTICS TO ELIMINATE PLASTIC POLLUTION IN THE PHILIPPINES";

House Bill No. 6085, introduced by Rep. "Kuya" Jose Antonio R. Sy-Alvarado, entitled:

"AN ACT BANNING THE MANUFACTURE, IMPORTATION, SALE, AND USE OF SINGLE-USE PLASTIC PRODUCTS, AND PROVIDING PENALTIES FOR VIOLATIONS THEREOF";

House Bill No. 6180, introduced by Rep. Mark O. Go, entitled:

"AN ACT MANDATING ALL COMMERCIAL ESTABLISHMENTS AND MANUFACTURING COMPANIES TO MAINTAIN A SYSTEM OF RECOVERY, COLLECTION, RECYCLING AND DISPOSAL OF PLASTIC AND OTHER NON-BIODEGRADABLE MATERIALS AND FOR OTHER PURPOSES";
House Bill No. 6279, introduced by Rep. Rufus B. Rodriguez, entitled:

"AN ACT MANDATING THE CREATION OF AN EXTENDED PRODUCER RESPONSIBILITY SCHEME TO ADDRESS LEAKAGE OF PLASTIC WASTE INTO THE ENVIRONMENT, AND FOR OTHER PURPOSES";

House Bill No. 6640, introduced by Rep. Manuel D. Cabochan III, entitled:

"AN ACT REGULATING THE MANUFACTURING, IMPORTATION AND USE OF SINGLE-USE PLASTIC PRODUCTS, AND PROVIDING PENALTIES, LEVIES AND AN INCENTIVES SYSTEM FOR INDUSTRIES, BUSINESS ENTERPRISES AND CONSUMERS THEREOF";

House Bill No. 6744, introduced by Rep. Manuel D. Cabochan III, entitled:

"AN ACT MANDATING THE USE OF RECYCLABLE OR BIODEGRADABLE MATERIALS FOR THE PACKAGING OF CONSUMER PRODUCTS";

House Resolution No. 213, introduced by Rep. Angelo Marcos Barba, entitled:

"A RESOLUTION URGING THE PROHIBITION OF SINGLE-USE PLASTICS IN ALL GOVERNMENT OFFICES";

House Resolution No. 261, introduced by Rep. Alberto D. Pacquiao, entitled:

"A RESOLUTION DIRECTING THE HOUSE OF REPRESENTATIVES TO ADOPT AN INSTITUTIONAL POLICY DISALLOWING THE USE OF DISPOSABLE PLASTIC WATER BOTTLES";

House Resolution No. 553, introduced by Rep. Francisco Jose "Bingo" F. Matugas II, entitled:

"RESOLUTION URGING THE HOUSE OF REPRESENTATIVES TO PROHIBIT OR REGULATE THE USE OF PLASTIC WATER BOTTLES IN THE HOUSE OF REPRESENTATIVES' SOUTH LOUNGE IN ORDER TO HELP THE ENVIRONMENT AND CONSERVE WATER"; and,

House Resolution No. 1024, introduced by Reps. David "Jay-Jay" C. Suarez and Anna Marie Villaraza-Suarez, entitled:

"RESOLUTION URGING THE USE OF COCO COIR GEONET TO HELP IN REDUCING MULTITUDE OF PROBLEMS ASSOCIATED WITH THE UNREstrained PRODUCTION, CONSUMPTION, AND DISPOSAL OF SINGLE-USED PLASTIC BAGS"
have considered the same and recommend that the attached House Bill No. 9147, entitled:

AN ACT
REGULATING THE PRODUCTION, IMPORTATION, SALE, DISTRIBUTION, PROVISION, USE, RECOVERY, COLLECTION, RECYCLING, AND DISPOSAL OF SINGLE-USE PLASTIC PRODUCTS

be approved in substitution of House Bills Numbered 103, 139, 499, 546, 574, 635, 1754, 1837, 2396, 2484, 2811, 2969, 3140, 3338, 3536, 3573, 3723, 3725, 4339, 4435, 4644, 4724, 4827, 5048, 5312, 5383, 5411, 5489, 5623, 5772, 5773, 6076, 6085, 6180, 6279, 6640 and 6744; and House Resolutions Numbered 213, 261, 553 and 1024 with.

Respectfully submitted,

REP. JOEY SARTE SALCEDA  
Chairperson  
Committee on Ways and Means

REP. GLONA G. LABADLABAD  
Chairperson  
Committee on Ecology

THE HONORABLE SPEAKER  
HOUSE OF REPRESENTATIVES  
QUEZON CITY
AN ACT
REGULATING THE PRODUCTION, IMPORTATION, SALE, DISTRIBUTION, PROVISION, USE, RECOVERY, COLLECTION, RECYCLING, AND DISPOSAL OF SINGLE-USE PLASTIC PRODUCTS

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

1
SECTION 1. Short Title. – This Act shall be known as the “Single-Use Plastic Products Regulation Act”.

SEC. 2. Definition of Terms.– As used in this Act:

a) **Commercial establishment** refers to an establishment or cluster of establishments engaged in commerce or sales of goods or services including market stores, shopping mall outlets, supermarkets, department stores, online stores, grocery stores, drug stores, convenience stores, food chains, restaurants, cafes, bars, sari-sari stores, ambulant vendors, with or without stalls, and the like.

b) **Compostable plastic product** refers to a plastic product that is suitable for home composting that undergoes degradation by biological processes during composting to yield carbon dioxide, water, inorganic compounds, and biomass, at a rate consistent with other known compostable materials, and leaves no visible, distinguishable, or environment-harmful residue;

c) **High in replaceability** refers to a condition wherein a plastic product is deemed non-acceptable, unnecessary, or can be replaced by a more efficient and eco-friendly alternatives;

d) **Importer** refers to any entity that imports or distributes single-use plastic products, or goods utilizing single-use plastic products, to any commercial establishment in the Philippines;

e) **Low in recyclability** refers to a condition wherein the value for recovery and reprocessing of a plastic product is low, or non-existent, due to its design, composition, content, and density, among other things;

f) **Low in retrievability** refers to a situation wherein after use of the plastic products, a significant volume cannot be recovered, properly recycled, processed or disposed of, on account of inefficient recovery schemes, or low value for recovery, recycling or reprocessing;

g) **Plastic footprint** refers to the total amount of plastic or composite materials used in the production, distribution, promotion, and sale of single-use plastic products or services;

h) **Plastic products** refer to bags, containers, food service necessities, packaging, and promotional materials, or any other non-healthcare products using synthetic polymers as a major component, or as one of the layers thereof, designed to be utilized, to carry or protect goods for transportation, distribution, and sale, or to promote these products or services;
i) **Producer** refers to any entity that manufactures or distributes single-use plastic products or goods utilizing single-use plastic products, to any commercial establishment in the Philippines; and,

j) **Single-use plastic products** refer to plastic products designed to be disposed, destroyed, or recycled, after only one use.

**SEC. 3. Phase Out Of Single-Use Plastic Products.** – The following non-compostable single-use plastic products shall be phased out within a period of four (4) years from the effectivity of this Act:

a) Plates and saucers;
b) Cups, bowls, and lids;
c) Cutlery like spoons, forks, knives, chopsticks;
d) Food and beverage containers made of expanded polystyrene;
e) Oxo-degradable plastics;
f) Film wrap, packaging, or bags of less than 50 microns in thickness; and
g) Sachets and pouches that are multilayered with other materials.

The following products shall be phased out within a period of one (1) year from the effectivity of this Act:

a) Drinking straws;
b) Stirrers;
c) Sticks for candy, balloon, and cotton bud;
d) Buntings;
e) Confetti; and
f) Packaging or bags of less than 10 microns in thickness.

Thereafter, the production, importation, sale, distribution, provision or use of the said plastic products shall be prohibited.

Properly labelled flexible disposable plastic drinking straws for persons with special medical conditions shall be allowed, when no suitable reusable or compostable alternatives are available.

**SEC. 4. Phase-out of Other Single-Use Plastic Products.** – Two (2) years after the effectivity of this Act, and every two (2) years thereafter, the Department of Environment and Natural Resources (DENR), in coordination with the Department of Trade and Industry (DTI), the Department of Science and Technology (DOST), and the National Solid Waste Management Commission (NSWMC), shall regularly determine whether plastic bottles, packaging, or products that are multilayered with other materials, multi-layered tetra packs, election or advertising paraphernalia, streamers, and other non-compostable single-use plastic products not listed under Section 3 of this Act, are deemed either high in replaceability, low in recyclability, or low in retrievability. Upon determination by the DENR, these products shall be phased out within a period of two (2) years.
Products are low in recyclability or retrievability when these are not properly recovered or offset, in compliance with the provisions or standards established pursuant to Sec. 7.

SEC. 5. Phase-out Plan for Single-Use Plastic Products. — A Phase-Out Plan, hereinafter referred to as the Plan, shall be formulated by the DENR, in coordination with the NSWMC, and in consultation with relevant departments or agencies of the government and stakeholders, within six (6) months upon the effectivity of this Act. The Plan shall include the following components:

a) Consumption, Reduction, and Recovery Program. — The DTI, in cooperation with the DENR, the DOST, and the Food and Drug Administration (FDA) of the Department of Health (DOH), and in consultation with stakeholders, shall formulate a Consumption, Reduction, and Recovery Program, to achieve a significant reduction in consumption and increased recovery for recycling and treatment, or proper disposal of single-use plastic products, within the phase out period prescribed by this Act. Such measures shall include national consumption reduction, waste recovery targets, and other measures ensuring that reusable and compostable alternatives to single-use plastic products are made available, and that the said products are not free of charge at the point-of-sale to the final consumer;

b) Producer Responsibility Schemes. — Producer responsibility schemes shall be formulated to carry out the objectives of Section 7 of this Act, and as part of interim measures, to cushion the impact of single-use plastic products on the environment within the phase-out periods;

c) Reusable and Compostable Alternatives to Single-Use Plastic Products. — Appropriate strategies to implement the requirements provided under Sections 6 and 14 of this Act shall be formulated to assist local manufacturers in developing or acquiring the appropriate technology and sustainable materials for the production of reusable or compostable alternatives to single-use plastic products, which shall also be highly recoverable and highly recyclable; and

d) Awareness-Raising Measures. — As part of the Information and Education Campaign (IEC) under Section 11 of this Act, the DENR shall, together with the Department of Education (DepEd) and DILG, formulate an information dissemination plan to inform consumers of (i) the impact of use and improper disposal of single-use plastic products on the environment; (ii) waste reduction, reuse, recycling and recovery systems; and (iii) other best practices in waste management.

SEC. 6. Compostable Plastic. — Producers, importers, and commercial establishments may provide compostable plastic products to their consumers. The plastic product shall have a visible logo identifying that it is compostable. The manufacturing date and name of manufacturer, importer, and distributor shall be labelled as well.
The DTI, in coordination with the DENR, DOST, leagues of Local Government Units (LGUs), NSWMC, and other government and private agencies and organizations concerned, shall promulgate the appropriate Philippine National Standard (PNS) for compostable plastic products, within six (6) months from the effectivity of this Act. Recoverability, recycling, or reprocessing value of these products into other useful materials or commodities shall likewise be explored by the DTI.

SEC. 7. Responsibility of Producers and Importers. – Within two (2) years following the effectivity of this Act, producers and importers of single-use plastic products, regardless of whether compostable or recyclable, shall establish and start phasing-in the extended producers’ responsibility programs, aimed at effectively preventing plastic wastes from leaking to the environment. To achieve the purposes of this Section, the producers and importers shall incorporate themselves in accordance with Republic Act 11232, otherwise known as the “Act Providing for the Revised Corporation Code of the Philippines,” to implement the extended producers’ responsibility programs that may include the following activities:

a) Recovery schemes for plastic wastes through redemption, buy-back, off-setting, or any model or strategies that will efficiently effect high retrievability and recyclability;

b) Transportation of recovered plastic wastes to the appropriate composting, recycling, and other diversion or disposal sites in the country;

c) Clean-up of plastic wastes leaked to coastal areas, public roads, and other sites; and,

d) Establishment of recycling, composting, thermal treatment, and other wastes diversion or disposal facilities of commercial or industrial scale for plastic products, when investment therein is viable.

For this purpose, each producer or importer shall recover or off-set and divert into value chains and value-adding useful products, whenever possible, at least fifty percent (50%) of their single-use plastic product footprint, three (3) years after the effectivity of this Act. Provided, That the DENR, upon the review and recommendation of the NSWMC, shall gradually increase the percentage until a one hundred percent (100%) recovery or offsetting of their single-use plastic product footprint is achieved five (5) years following the effectivity of this Act. The producer or importer shall submit to the DENR a verifiable notarized documentation of its single-use plastic product footprint. An Independent third-party auditor shall be engaged by both the DENR and the producer or importer to verify the authenticity of the plastic product footprint report and its recovery or offsetting report.

Expenses relevant to the abovementioned activities, and the recovery and diversion of their plastic product footprint, are considered part of necessary expense, and shall be allowed as deduction from the taxable income of the producers and importers, under Section 34 (A) of
the National Internal Revenue Code, as amended, for a period of five (5) years from the
effectivity of this Act.

If a producer or importer fails to meet the recovery or off-setting of plastic product
footprint target set pursuant to the preceding paragraph, the producer or importer shall be
required to pay the equivalent amount of five percent (5%) of the cost of the single-use product
set in the market to the producers and importers’ responsibility corporation created pursuant to
Section 7 hereof, net of whatever amount already spent for recovery for the period. The
producers and importers’ responsibility corporation may increase the rate or amount three (3)
years after the effectivity of this Act.

Producers and importers shall provide appropriate labelling for their packaging and
products, providing information on specific plastic types and packaging structure, and other
information important in the proper recovery and diversion of their wastes after use. For this
purpose, the DTI in coordination with the recycling and waste processing industry is mandated
to formulate the guidelines for proper labelling of packaging and plastic products.

Implementing Rules and Regulations (IRR) for this Section shall include, but not be
limited, to multi-sectoral compliance monitoring schemes, accountability mechanism,
transparency, and data reporting on recovery plan.

SEC. 8. Responsibility of Commercial Establishments. – Sixty (60) days after the
effectivity of this Act, commercial establishments shall undertake the following activities:

a) Promote the use of highly reusable, recyclable, and retrievable products in their
establishments, or make available for sale locally-made products such as hayong,
buli, and other reusable containers and bags that are made of abaca, water lily, and
other organic or compostable materials or reusable or recyclable containers that
promote circular economy;

b) Charge their customers a minimum fee of PHP 5.00 for every single use plastic
bag. Provided, That the imposition of the minimum fee shall not preclude the LGUs
from imposing other fees and charges on the use of plastic bags;

c) Charge take-out food or delivery services a minimum fee of PHP 5.00 for every
single use plastic product provided, regardless of whether it is a disposable or
compostable alternative; and

d) Establish an effective in-store recovery program that will facilitate and encourage
customer return of their used plastic products to the commercial establishment, and
implement the recovery scheme established pursuant to Section 7 of this Act.

The fees collected pursuant to paragraphs (b) and (c) shall be reflected in the receipts.
The Department of Finance shall prescribe the rules and regulations to be issued to implement
this Section with respect to the collection, recording, and remittance of fees.
SEC. 9. Lead Agency. – The DENR, in coordination with the NSWMC, unless otherwise provided herein, shall be the primary government agency responsible for the implementation and enforcement of this Act.

SEC. 10. Monitoring and Market Inspections. – The DENR and the DTI shall, in coordination with the LGUs and local law enforcement agencies, instigate the regular and routine inspection and monitoring of the point-of-sale stores and the facilities of commercial establishments, producers, and importers, to determine compliance with this Act. Inspection and monitoring shall include the following:

a) Entry or access to the premises of operation and business, including storage rooms and stockrooms;

b) Inspection of off-site storage facilities, distribution centers, and trans-shipment points; and

c) Inspection of the recovery, recycling, treatment, and disposal facilities, to determine if residual plastic products are being properly diverted and disposed of.

SEC. 11. Public Access to Information. – The public shall have access to records, reports, or information concerning the implementation and mandates of this Act.

The said documents shall be made available for inspection or reproduction during normal business hours: Provided, That the DENR, the DTI or concerned LGU may consider confidential a record, report, or information, or particular portions thereof, and shall therefore not be made public when such would divulge trade secrets, production or sales figures, or methods, production, or processes unique to the manufacturer, seller, or distributor, or would otherwise tend to adversely affect the competitive position of such manufacturer.

SEC. 12. Information and Education Campaign. – The DENR, in coordination with the LGUs, the DILG, the DTI, the Department of Education, the Commission on Higher Education (CHED), Philippine Information Agency (PIA), and other private or non-government organizations and concerned agencies, shall conduct a continuing IEC on the proper implementation of this Act, including the necessity to regulate plastic products in the country, in relation to our environment.

The said IEC shall be incorporated in the public IEC under Section 55 of Republic Act (R.A.) No. 9003 otherwise known as the “Ecological Solid Waste Management Act of 2000”.

SEC. 13. Linkage Mechanism. – The DENR and the NSWMC, in coordination with the DTI, may consult, and enter into an agreement with other government agencies, LGUs, or with concerned non-governmental organizations (NGOs) or people’s organizations (POs), or private enterprises in the furtherance of the objectives of this Act.

SEC. 14. Shift to Alternatives. – The DOST, in cooperation with the Department of Agriculture (DA), the DTI, the DENR, and the NSWMC, shall develop and implement a
program that will assist local manufacturers in developing or acquiring sustainable sources of raw materials, appropriate technology for the production of highly reusable, recoverable, recyclable, or compostable materials, as an alternative to plastic products. Consistent with the program, the DTI, through the Bureau of Philippine Standards (BPS), shall take the lead in developing the appropriate standards for alternatives.

SEC. 15. Production and Importation Control. – The DTI shall, in cooperation with the DA, DOST, DENR, and NSWMC, develop a framework plan that will ensure that the single-use plastic products being produced or imported in the country will maximize its purpose, minimize its waste footprint, and increase its recoverability and recyclability. For this purpose, standards shall be established for the dimensions, thickness, labelling, structures, capacity, color-coding, materials and other relevant parameters of a particular single-use plastic product.

SEC. 16. Role of the National Solid Waste Management Commission. – The NSWMC, created pursuant to Section 4 of R.A. No. 9003 shall, in addition to its functions under the said law, aid and assist in the implementation and enforcement of this Act.

The NSWMC shall, in partnership with research institutions and academic communities, conduct relevant studies to realize the harmonious implementation of this Act with R.A. No. 9003. It shall also ensure that the provisions of this Act are made part of the programs being implemented under Republic Act No. 9512, otherwise known as the “National Environmental Awareness and Education Act of 2008”.

The DENR shall provide the necessary financial and manpower resources to enable the NSWMC to perform its additional functions under this Act.

SEC. 17. Role of LGUs. – The LGUs shall be primarily responsible for the implementation and/or monitoring of compliance with wastes segregation, collection, recovery, transport, recycling, and disposal of plastic products. The LGUs may enjoin the participation of other concerned government agencies, private entities, and industries for this purpose.

The DENR shall, in coordination with the NSWMC and the DOST, provide the LGUs with technical assistance, trainings, and continuing capability-building programs to attain the objectives of this Act.

SEC. 18. Fines and Penalties. – Deliberate violations of Sections 3, 4, 6, 7, 8, 14 and 15 of this Act, and the falsification of documents required pursuant to this Act, or misrepresentation of persons producing, importing, or distributing single-use plastic products, and commercial establishments shall be penalized in the following manner:

a) Large, Medium and Small Enterprises:

1. A fine of not less than Two Hundred Fifty Thousand Pesos (PHP 250,000.00) but not exceeding Five Hundred Thousand Pesos (PHP 500,000.00) for the first offense;
2. A fine of not less than Five Hundred Thousand Pesos (PHP 500,000.00) but not exceeding Seven Hundred Fifty Thousand Pesos (PHP 750,000.00) for the second offense; and

3. A fine of not less than Seven Hundred Fifty Thousand Pesos (PHP 750,000.00) but not exceeding One Million Pesos (PHP 1,000,000.00) and automatic revocation of its business permit for the third offense.

b) Micro Enterprises, and other smaller businesses:

1. A fine of not less than fifty thousand pesos (PHP 50,000.00) but not exceeding one hundred thousand pesos (PHP 100,000.00) for the first offense;

2. A fine of not less than one hundred thousand pesos (PHP 100,000.00) but not exceeding three hundred thousand pesos (PHP 300,000.00) for the second offense; and

3. A fine of not less than three hundred thousand pesos (PHP 300,000.00) but not exceeding five hundred thousand pesos (PHP 500,000.00) and automatic revocation of its business permit for the third offense.

The Pollution Adjudication Board of the DENR shall hear and adjudicate cases of violations or offenses in this Section, and impose appropriate fines therefor. For purposes of the imposition of appropriate fines hereof, the DTI shall establish the classification of commercial establishments based on their capitalization.

SEC. 19. Administrative Action. – Without prejudice to the right of any person to file an administrative action, the DENR shall, on its own instance or upon verified complaint by any person, institute administrative proceedings in the proper forum against any natural or juridical person who violates any of the provisions of this Act with respect to standards and limitations provided by this Act, or such order, rule, or regulation issued by the DENR pursuant thereto.

SEC. 20. Independence of Action. – The filing of an administrative suit against any person or entity does not preclude the right of any other person to file any criminal or civil action.

SEC. 21. Joint Congressional Oversight Committee. – The Joint Congressional Oversight Committee created under Section 60 of R.A. No. 9003, shall likewise monitor the implementation of this Act and review the rules and regulations promulgated by the DENR to implement this Act. The Joint Committee shall be co-chaired by the Chairpersons of the House Committee on Ecology and the Senate Committee on Environment.

SEC. 22. Citizen’s Suit. - Any citizen can file an appropriate civil, criminal, or administrative action in the proper courts or bodies against: any person who violates or fails to comply with the provisions of this Act and its IRR; the department or other implementing agencies with respect to orders, regulations, and issuances inconsistent with this Act; and any
public officer who willfully or grossly neglects the performance of an act specifically enjoined
as a duty by this Act or its IRR, or abuses the authority vested upon him in the performance of
duty, or in any manner improperly performs the duties assigned under this Act or its IRR;
Provided, however, That no suit can be filed until after a thirty (30) day notice has been given
to the public officer and the alleged violator concerned and no appropriate action has been
taken thereon. With this, free and accessible legal help should be given to individual persons
who shall file a lawsuit under this Act.

SEC. 23. Implementing Rules and Regulations. – The DENR, in coordination with the
NSWMC, DTI, DOST, and other relevant government agencies and organizations, shall
promulgate the IRR governing this Act, within six (6) months from its effectivity.

SEC. 24. Separability Clause. – If, for any reason, any provision of this Act or part
thereof is declared unconstitutional or invalid by a court of competent jurisdiction, the other
provisions or parts thereof not affected shall remain in full force and effect.

SEC. 25. Repealing Clause. – All laws, decrees, orders, issuances, ordinances, rules and
regulations or parts thereof inconsistent with the provisions of this Act are hereby repealed or
modified accordingly.

SEC. 26. Effectivity. – This Act shall take effect fifteen (15) days after its publication in
the Official Gazette or in two (2) newspapers of general circulation.

Approved,
House of Representatives
Committee Affairs Department

House Bill No.: 9147

In substitution of House Bills Numbered 103, 139, 499, 546, 574, 635, 1754, 1837, 2396, 2484, 2811, 2969, 3140, 3338, 3536, 3537, 3723, 3725, 4339, 4435, 4644, 4724, 4827, 5048, 5312, 5383, 5411, 5489, 5623, 5772, 5773, 6076, 6085, 6180, 6279, 6640, and 6744; and House Resolutions Numbered 213, 261, 553, 1024

(As approved by the Committee on Ecology and the Committee on Ways and Means)

AN ACT
REGULATING THE PRODUCTION, IMPORTATION, SALE, DISTRIBUTION, PROVISION, USE, RECOVERY, COLLECTION, RECYCLING, AND DISPOSAL OF SINGLE-USE PLASTIC PRODUCTS

Introduced by: REPS. LORD ALLAN Q. VELASCO, ET. AL.

Committee Referral: ECOLOGY
Committee Chairperson: REP. GLONA G. LABADLABAD

OBJECTIVES:

• To protect life on land and water from the hazards posed by plastic pollution, and ensure that non-compostable single-use synthetic plastic products deemed necessary to society do not leak into nature;

• To prolong the service life of sanitary landfills by reducing the volume of single use plastic wastes for final disposal; and

• To discourage consumption of single-use plastic (SUP) products and promote circularity through reduction, reuse, and recycling of plastic trash.

KEY PROVISIONS:

• Phases-out, within a year, the production, importation, sale, distribution, provision, and use of single-use plastic drinking straws, stirrers, candy sticks, balloon sticks, cotton bud sticks, buntings, confetti, and packaging/bags less than 10 microns thick;

• Phases-out within four (4) years the following single-use plastic items: tableware, film wrap, packaging or bags less than 50 microns thick, sachets and pouches, oxo-degradable plastics, and styropor food and beverage containers;

• Requires the identification of additional SUPs for phase-out every two (2) years, applying the criteria of “high in replaceability”, “low in recyclability”, or “low in retrievability”;

• Mandates the Department of Environment and Natural Resources (DENR) to formulate, within six (6) months and in consultation with identified agencies, a phase-out plan on SUP wastes, with components on reducing consumption, increasing recovery, keeping producers accountable, developing alternatives, and raising awareness;

• Requires producers and importers to incorporate themselves, and in two (2) years’ time start phasing-in extended producers’ responsibility (EPR) activities to prevent plastic wastes from polluting the environment;

• Compels every producer and importer to recover or off-set 100% of their plastic product footprint within five (5) years, and label their packaging to facilitate the proper recovery and diversion of their plastic wastes after use.

• Allows producers and importers to deduct from their taxable income such expenses that are necessary for the recovery and diversion of their plastic product footprint.

• Obligates commercial establishments to promote reusable, recyclable, and retrievable products in their stores, charge P5.00 from customers for every plastic bag or SUP used for take-out food or delivery service, and facilitate customer return of used plastic products to the store;

• Penalizes violators with fines ranging from P50,000 up to P500,000 for micro enterprises, and P250,000 up to P1,000,000 for larger businesses;

• Assigns the DENR to take the lead in the implementation and enforcement of the Act, with the assistance of the National Solid Waste Management Commission, and the Local Governments to implement and manage the disposal of plastic wastes; and,

• Tasks the Department of Science and Technology to help local manufacturers shift to alternative materials, and the Department of Trade and Industry to ensure maximized purpose, minimized waste footprint, and increased recoverability and recyclability of imported or produced SUPs.

RELATED LAWS:

• R.A. 9003 - Ecological Solid Waste Management Act of 2000
• R.A. 9512 - National Environmental Awareness and Education Act of 2008
• R.A. 11232 - Revised Corporation Code of the Philippines of 2018
