OBJECTIVE:

- To improve trade facilitation and assist the government in revenue collection

KEY PROVISIONS:

- Provides a classification system for third parties which shall be used in the assessment of their capabilities to import, export, move store or clear goods;

- Requires the acquisition of the services of a private auction house to undertake BOC public auctions to minimize collusion between BOC employees and favored bidders to the disadvantage of the government;

- Establishes a pre-shipment inspection of cargoes dependent upon risk-based parameters as determined by the Bureau and other competent authorities;

- Requires common carriers to declare the value of imported goods and articles from a foreign port in shipping and airline documents, and prohibit fraudulent alteration of the cargo manifest, bill of lading and airway bill;

- Ensures effective control and management of Customs Bonded Warehouses (CBW) and Customs Freight Warehouses (CFW) based on appropriate business requirements;

- Defines the authority of district collectors in processing tariff classification cases;

- Simplifies the issuance and conduct of alert orders and warrants of seizure; and

- Requires the presentation of certain documents by vessels coming from foreign ports in order to facilitate trade security and avoid smuggling

RELATED LAW:

- RA No. 10863, otherwise known as the “Customs Modernization and Tariff Act”
