On motion of Representative Gonzales (A.P.), there being no objection, the Body resumed consideration on Second Reading of House Bill No. 6215

as contained in Committee Report No. 363 and reported out by the Committee on Appropriations, entitled:

“AN ACT APPROPRIATING FUNDS FOR THE OPERATION OF THE GOVERNMENT OF THE REPUBLIC OF THE PHILIPPINES FROM JANUARY ONE TO DECEMBER THIRTY-ONE, TWO THOUSAND AND EIGHTEEN, AND FOR OTHER PURPOSES.”

Representative Gonzales stated that the parliamentary status of the Bill was that it was in the period of sponsorship and debate.

CONSIDERATION OF THE PROPOSED BUDGET OF THE PDEA

On successive motions of Representative Gonzales (A.P.), there being no objection, the Body next considered the proposed budget of the Philippine Drug Enforcement Agency (PDEA); and the Chair recognized Rep. Scott Davies S. Lanete, M.D. to sponsor the same.

Representative Gonzales then acknowledged the presence of the PDEA family headed by Deputy Director Ricardo Quinto and its Directors.

INTERPELLATION OF MINORITY LEADER SUAREZ

Recognized by the Chair upon motion of Rep. Francisco Jose F. Matugas II, Minority Leader Suarez asked on the government agencies tasked to combat illegal drugs other than the PDEA; consumption of illegal drugs by drug users; and the value of illegal drugs in the market.

At this juncture, Deputy Speaker Cayetano relinquished the Chair to Deputy Speaker Gwendolyn F. Garcia.

Minority Leader Suarez and Representative Lanete then discussed the sources and suppliers of drugs and intelligence data thereon. He asked the Sponsor to join him in appealing to the leadership of the House for an increase in the PDEA's budget.

On motion of Representative Matugas, the Chair next recognized Rep. Emmi A. De Jesus for her interpellation.

INTERPELLATION OF REPRESENTATIVE DE JESUS

Representative De Jesus' initial queries focused on the PDEA's vision and targets and ability to capture the "big fish" in the illegal drug trade.

Representative De Jesus' succeeding queries were on the agency's training and scholarship program and printing and publication expenses; and on the deployment project involving the PDEA Evidence Inventory Information System (PEIIS).

Thereafter, on motion of Representative Matugas, the Chair recognized Rep. Edcel C. Lagman for his interpellation.

INTERPELLATION OF REPRESENTATIVE LAGMAN

Representatives Lagman and Lanete discussed the mandated powers of the PDEA and agreed that it was seemingly taking a marginalized role in the fight against illegal drugs including the custody of confiscated or surrendered drugs as compared to the PNP and National Bureau of Investigation (NBI).

After the Members discussed the establishment of crime laboratories in every PNP office nationwide and funding for the same, Representative Lagman requested data on (1) the status of cases filed by the PDEA -- between July 1, 2016 to July 31, 2017; and (2) the number of drug pushers, manufacturers, importers, and dependents under rehabilitation; the number of drug-affected barangays; and the rate of consumption of illegal drugs as of August 31, 2017. The Sponsor committed to provide the same.

Concluding his interpellation, Representative Lagman asked what the country's anti-illegal drug policy was that the PDEA was supposed to enforce.

INTERPELLATION OF REPRESENTATIVE ROQUE (H.)

On motion of Representative Matugas, the Chair recognized Rep. H. Harry L. Roque Jr. who initially inquired on what special acts the PDEA has carried out in exercising its lead in the ongoing war against drugs.

Thereafter, Representative Roque discussed the following issues with Representative Lanete: coordination with the members of the PNP who are responsible for more killings in the anti-drug war than

the PDEA; professionalism in implementing the Dangerous Drugs Act; status of the drug trade in Muntinlupa City; monitoring by the PDEA of the activities of convicted drug lords in Camp Crame; recent entry of a huge amount of shabu through the country's ports; and alleged involvement of President Rodrigo Roa Duterte's son in the illegal drug trade.

ACKNOWLEDGMENT OF GUESTS

At this point, Representative Matugas acknowledged the presence in the Session Hall of the Members of Parliament (MPs) of Japan, who were guests of Rep. Reynaldo V. Umali.

INTERPELLATION OF REPRESENTATIVE TINIO

On motion of Representative Matugas, the Chair then recognized Representative Tinio who said that it was problematic to use the term "drug personality" to refer to all drug users, pushers, manufacturers, and protectors; sought data on the number of drug users in the country; and asked for the basis of intelligence reports on the drug problem.

Thereafter, Representatives Tinio and Lanete examined the PDEA's role in and coordination with the PNP in drug operations that resulted in the deaths of ordinary people. The Sponsor said that he will submit data on drug operations conducted by the PDEA and the big fish that it had neutralized. Representative Tinio urged the government to focus on organized groups and syndicates instead and asked about the volume of drug trade in the country.

TO DECEMBER THIRTY-ONE, TWO THOUSAND AND EIGHTEEN, AND FOR OTHER PURPOSES.”

CONSIDERATION OF THE PROPOSED BUDGET OF THE PDEA (Continuation)

On successive motions of Representative Matugas, there being no objection, the Body continued its deliberation on the budget of PDEA; and the Chair recognized Representative Lanete to defend the measure and Rep. Gary C. Alejano for his interpellation.

INTERPELLATION OF REPRESENTATIVE ALEJANO

Representative Alejano and the Sponsor discussed the root causes of the country's drug problem; the government solution and strategy thereon; and the lessons that should be learned and applied from the experience of other countries in curbing the problem.

After the Sponsor relayed the PDEA's support for a comprehensive and holistic approach to the drug problem in coordination with the Dangerous Drugs Board (DDB) and other government agencies, he and his colleague discussed the need for scientific surveys and better registration processes in order to come up with a more realistic picture of the drug problem. Representative Alejano stressed that only 10% of the entire drug-using population were heavy users.

Subsequently, Representative Alejano raised the following concerns: 1) the effectiveness of the war on drugs; 2) the President's list of names in relation to the war on drugs; 3) the current percentage rate of barangays affected with drugs; 4) the status of the five generals who are allegedly involved in drugs; and 5) the resumption of the drug trade and the eradication of drug usage inside the New Bilibid Prison.

Representative Alejano then asked whether China was using drugs to wage an unrestricted kind of warfare against their target countries. He expressed dismay over the fact that the victims of the drug war were ordinary citizens and not the Chinese suppliers or manufacturers.

With 209 Members responding to the Call, the Chair declared the presence of a quorum. (See Appendix 2)

Minority Leader Suarez and Representative Lanete then focused on the delayed or failed construction of health facilities; defective and uninstalled hospital equipment and facilities; provision of efficient and professional health services; a buffer account to enable hospitals to survive in the light of the Anti-Hospital Deposit Law; purchase of expired vaccines and other medicines; and regulation and testing of imported medicines.

On motion of Rep. Benhur B. Lopez Jr., the Chair recognized Representative Zarate for his interpellation.

INTERPELLATION OF REPRESENTATIVE ZARATE

Representatives Zarate and Lanete discussed the basis for the budgetary cuts in the National Expenditure Program (NEP) of public hospitals in

general and drug rehabilitation centers in particular; and its impact on bringing quality health services to the people. The Sponsor said that he will welcome the former's amendment, at the proper time, to restore the DOH budget to the 2017 level or to its original budget proposal for 2018.

At this juncture, Deputy Speaker Garcia (G.) relinquished the Chair to Deputy Speaker Bai Sandra Sinsuat A. Sema.

The Members subsequently discussed the level of dependence of drug users and the duration of treatment for drug abuse; as well as Representative Zarate's recommendation to divert the funds of Oplan Double Barrel to drug rehabilitation programs and facilities.

They also discussed the filling up of positions in different hospitals; hiring additional health professionals and upgrading of the salary grades of nurses; and ending the contractualization of public health workers. They highlighted the fact that providing basic health services especially for the poor, should be the government's utmost concern.

On motion of Rep. Marlyn L. Primicias-Agabas, there being no objection, the Chair recognized Representative Roque who discussed the following matters with Representative Lanete: the DOH Secretary's error in stating that the first incident of zika virus infection only occurred in 2017; the safety of the dengue vaccine; the efficacy of and budget for Japanese encephalitis vaccine; and the discretion of the DOH to spend the budget for a particular vaccine for other purposes other than what had been declared to the Department of Budget and Management (DBM).

After the Sponsor said that he will act on the request for an itemization of vaccine funds on the basis of a particular vaccine and not in a generic manner, he responded to his colleague's questions about the problem of Human Immunodeficiency Virus/Acquired Immune Deficiency Syndrome (HIV/AIDS). He discussed the meager budget for the same and how it compared to the budget for mental health and the anti-tobacco campaign; and ways to address and prevent it such as including condom distribution to high school students. He also promised to give a breakdown of the proposed budget for the HIV/AIDS program.

Representatives Roque and Lanete thereafter talked about medical equipment procurement for military hospitals as ordered by President Duterte; the budget for national immunization; and subsidies for the Philippine Health Insurance Corporation (PhilHealth). The Sponsor relayed the DOH's position that criminal cases will be filed against those liable for the operational loss of PhilHealth.

On behalf of some of his colleagues, Representative Roque then complained that DOH offices seem to give more priority to the opinion of local officials rather than the Members in the choice of hospital directors or procurement of equipment. He said that the following week, he will meet with Secretary Ubial on the matter.

INTERPELLATION OF REPRESENTATIVE CHAVEZ

Representative Chavez brought to fore the lack of health care professionals as well as access to essential medicines and medical equipment, especially for indigent patients. After an assurance from the Sponsor that the DOH has increased access to hospitals through decentralization and satellite programs in the different regions, she also raised her concern about the agency's lack of policy directions. She also questioned the viability of the PhilHealth.

On motion of Representative Primicias-Agabas, the Chair recognized Rep. Tinio for his interpellation.

INTERPELLATION OF REPRESENTATIVE TINIO

Representative Tinio reiterated the concerns of his colleagues about the proposed cut in the maintenance and other operating expenses (MOOE) of public hospitals which the DOH has attributed to the fund's underutilization. Representative Lanete affirmed that the Committee was willing to restore the MOOE for public hospitals to at least the previous year's level and that the DOH will make sure that it will utilize all of its funds by the end of the year.

Thereafter, the two Members discussed the PhilHealth's membership component, fund utilization rate, and paid-up benefits to the formal and informal sectors; and the health care services provided by the private sector as compared to the public sector.

Representative Biron subsequently aired his concern about the delayed or erroneous resolutions of the DOH-Central Office Bids and Awards Committee. He also proposed to provide a budget solely for expenditures in warehousing and logistics, to which the Sponsor relayed the agency's agreement.

On motion of Representative Lopez (B.), the Chair recognized Rep. Arlene D. Brosas for her interpellation.

INTERPELLATION OF REPRESENTATIVE BROSAS

Representative Brosas asked how the DOH addresses the provision of updated and reliable data on its programs, activities, and projects; equity in the distribution of health facilities; delays in the infrastructure program; and health facility workforce complementation. The Sponsor committed to provide a list of priority areas for the distribution of health facilities.

At this juncture, Deputy Speaker Sema relinquished the Chair to Deputy Speaker Ranie "Ranie" E. Abu.

Representative Brosas subsequently asked about the assessment of DOH programs such as tobacco control and anti-public smoking; health risks posed by the programs of other departments such as the Department of Public Works and Highways (DWPW), and by rapid urbanization; and the agency's disease prevention programs. The Sponsor committed to provide pertinent information and said that the DOH considered non-communicable diseases as a top priority.

Thereafter, the Members discussed the DOH's capacity to provide health services during emergency situations such as the Marawi siege and plans to improve health service delivery in the poorest areas of the country's regions, cities, and municipalities.

On motion of Representative Lopez (B.), the Chair next recognized Representative Sarah Jane I. Elago for her interpellation.

INTERPELLATION OF REPRESENTATIVE ELAGO

After discussing the agency's drug rehabilitation program with Representative Lanete, Representative Elago sought information about the DOH Pre-Service Scholarship Program. The Sponsor also committed to submit the pertinent data to her colleague, including the list of partner medical schools.
