On motion of Representative Defensor, there being no objection, the Body resumed consideration on Second Reading of House Bill No. 6425 as contained in Committee Report No. 389 and reported out by the Committees on Transportation, and Appropriations.

Upon direction of the Chair, the Secretary General read the title of the Bill, as follows:

"AN ACT PRESCRIBING AN URGENT, COMPREHENSIVE AND INTEGRATED LAND-BASED TRAFFIC MANAGEMENT POLICY TO EFFECTIVELY ADDRESS THE TRAFFIC CONGESTION CRISIS IN METRO MANILA, METROPOLITAN CEBU AND METROPOLITAN DAVAO AND APPROPRIATING FUNDS THEREFOR."

Representative Defensor stated that the parliamentary status of the Bill was that it was in the period of sponsorship and debate; and upon his motion, the Chair thereafter recognized Rep. Cesar V. Sarmiento, Chairperson of the Committee on Transportation, to sponsor the same and Rep. Carlos Isagani T. Zarate to interpellate thereon.

**REMARKS OF
REPRESENTATIVE SARMIENTO (C.)**

Representative Sarmiento stated that he had already delivered his sponsorship speech on House Bill No. 6425. The Chair noted the same.

INTERPELLATION OF REPRESENTATIVE ZARATE

To the initial questions of Representative Zarate, Representative Sarmiento (C.) confirmed that the consolidated Bill replaces previous proposals seeking to grant emergency powers to President Rodrigo Roa Duterte in addressing the traffic crisis.

Representative Zarate then tackled several sections of the proposed measure which actually grant emergency powers to the President or his representatives. He also sought clarification on the possible effect of the phase-out and replacement of jeepneys, on the corporatization of public transport, and on the displacement of transport workers. Moreover, he exchanged views about the President's exercise of power and delegation of functions to the Secretary of the Department of Transportation (DOTr), under House Bill No. 6425.

Thereafter, the two Members discussed the effect of Davao City Mayor Sara Duterte's request for her city's exemption from the public utility vehicle (PUV) modernization program and the Bill's provisions on the President's powers as compared to the DOTr Secretary's role and function as Traffic Chief.

SUSPENSION OF SESSION

On motion of Representative Sarmiento (C.), the Chair suspended the session at 5:09 p.m.

RESUMPTION OF SESSION

The session resumed at 5:09 p.m.

INTERPELLATION OF REPRESENTATIVE ZARATE (Continuation)

Thereupon, Representatives Zarate and Sarmiento (C.) discussed the extension of the three-year validity period of the authority granted under the Traffic Crisis Act to enable the Traffic Chief to achieve the objectives of the measure; and the implementation of the proposed modernization program as well as route rationalization plan not only in Metropolitan Manila, Metropolitan Cebu, and Metropolitan Davao but nationwide.

Representative Zarate then proposed that (1) the government focus on opening additional routes to decongest traffic instead of phasing out PUVs;

(2) the government invoke the emergency powers provided in the Bill for the free use of friendship routes and for regulating private vehicles as well; and (3) public transport be not corporatized. He also sought clarification about the implementation of systems and mechanisms provided in the proposed Traffic Crisis Act, in other areas of the country; as well as on determining the modes of transportation that should ply the roads.

To Representative Zarate's subsequent concern about government control in the issuance of franchises to PUVs and rationalization of routes, Representative Sarmiento explained that the measure aims to address the problem of traffic and provide convenience to the riding public. He stressed that traffic is primarily caused by un-synchronized routing and dispatch systems concerning PUVs. He also clarified that the instant Bill provides for a support mechanism for displaced operators.

Thereafter, Representative Ty moved for the recognition of Rep. Antonio L. Tinio to interpellate Representative Sarmiento.

REMARKS OF THE CHAIR

The Chair however noted the gestures of some Members on Representative Tinio's side.

SUSPENSION OF SESSION

On motion of Representative Ty, the session was suspended at 5:46 p.m.

RESUMPTION OF SESSION

The session resumed at 5:48 p.m.

On motion of Representative Ty, the Chair recognized Rep. Ariel "Ka Ayik" B. Casilao for his interpellation.

INTERPELLATION OF REPRESENTATIVE CASILAO

Representative Casilao first inquired on the daily usage ratio of private vehicles against public vehicles that ply the major roads of Metro Manila, Metro Cebu, and Metro Davao.

At this point, Deputy Speaker Cayetano relinquished the Chair to Deputy Speaker Linabelle Ruth R. Villarica.

Representative Sarmiento (C.) cited data from the Metropolitan Manila Development Authority that 90% of the vehicles that pass through EDSA are

private vehicles and said that this trend also applies in Metro Cebu and Metro Davao. He and Representative Casilao then discussed the factors that contribute to heavy traffic and congestion and the solutions thereto.

Next discussing with the Sponsor the provisions on the traffic management plan and friendship routes, Representative Casilao observed that some components thereof such as the odd-even scheme and traffic systems were already being implemented. He opined that Congress should instead consider a bill on assessing the implementation of existing traffic laws. He further stressed that private stakeholders should be consulted about the power of eminent domain in private land disputes.

Subsequently, the two Members discussed the support mechanisms to address the displacement of drivers and operators as a result of the revocation and modification of PUV franchises. They also analyzed the adverse effects to the already-burdened commuters, of the penalization and removal of PUVs that are not found to be roadworthy.

Ending his interpellation, Representative Casilao observed that (1) the measure grants certain emergency powers and (2) its traffic management policy is mounted on private profit-making ventures instead of a long-term roadmap for an efficient public mass transportation system. He stressed that this will result in multiple social problems and injustices.

SUSPENSION OF SESSION

On motion of Representative Ty, the Chair suspended the session at 6:38 p.m.

RESUMPTION OF SESSION

The session resumed at 6:41 p.m.

SUSPENSION OF CONSIDERATION ON SECOND READING OF HOUSE BILL NO. 6425

Thereupon, on motion of Representative Ty, there being no objection, the Body suspended the consideration on Second Reading of House Bill No. 6425.

APPROVAL OF THE JOURNAL

On further motion of Representative Ty, there being no objection, the Body approved Journal No. 55, dated January 29, 2018.
