

REPUBLIC OF THE PHILIPPINES
House of Representatives
Quezon City

SEVENTEENTH CONGRESS
1st Regular Session

HOUSE BILL NO. 1767

Introduced by Congressman Alfredo D. Vargas III

EXPLANATORY NOTE

Gone were the days when Filipinos can conveniently access cash and bank transaction through the Automated Teller Machines (ATMs) free of charge. Due to the rising costs of operating the ATMs, banks have to charge the clients whenever they use the ATM. While this is understandable, it must be assured that the clients are informed and aware of these transaction fees whenever they use the ATM.

The proposed ATM Fee Regulatory Act directs financial institutions to disclose to their clients the bank fees by displaying the necessary data on the screen of the ATM before the transaction is completed. Through this, we are giving bank clients a choice to avoid these bank charges¹, and therefore empowering them to control how they wish to spend their hard-earned money.

In view of the foregoing, passage of this measure is earnestly sought.

ALFREDO D. VARGAS III

¹ Service charges are waived whenever clients use their own bank's ATM.
