

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SEVENTEENTH CONGRESS
Third Regular Session
HOUSE BILL NO. 8318

Introduced by **REPRESENTATIVE JOEL MAYO Z. ALMARIO**

EXPLANATORY NOTE

This bill seeks to amend Republic Act (R.A.) No. 10410 entitled "*An Act Recognizing the Age from Zero (0) To Eight (8) Years As The First Crucial Stage Of Educational Development And Strengthening The Early Childhood Care and Development System, Appropriating Funds Therefore And For Other Purposes,*" otherwise known as the "*Early Years Act (EYA) of 2013.*"

Section 11 of R.A. 10410 provides that the Philippine Amusement and Gaming Corporation shall contribute an amount of Five Hundred Million Pesos (P500,000,000.00) per year for five (5) years for the establishment of National Child Development Centers (NDCD) and the conversion of existing Day Care Centers into Child Development Centers in various local government units, an amount to be directly remitted in four (4) quarterly installments to a special account of the ECCD Council.

Meanwhile, Section 6 thereof, provides that the National Early Childhood Care and Development System shall be established in all provinces, cities, municipalities and barangays as may be determined by the Early Childhood Care and Development Council (ECCDC) to achieve universal Early Childhood Care and Development (ECCD) coverage for all children from zero (0) to four (4) years of age nationwide.

R.A. 10410 was enacted to institutionalize a national system for ECCD that is comprehensive, integrative and sustainable, which will involve multisectoral and interagency collaboration at the national and local levels among government units, service providers, non-government organizations, professional associations, academic institution, communities and families.

As of July 2018, or five years since the enactment of R.A. 10410, a total of 634 new NDCDs have been established, while 960 existing day care centers have been converted into NDCDs nationwide.

However, there is more to be done in the field of early childhood care as nationwide ECCD has not yet been fully attained. For the purpose of accelerating expansion of the ECCD system and to achieve universal ECCD coverage, there is an urgent need for an extension of and an increase in the funding support from PAGCOR for another five (5) years.

Support for this bill is earnestly sought.
