HOUSE BILL NO. 0591

Introduced by Hon. ALLEN JESSE C. MANGAOANG

EXPLANATORY NOTE

This bill seeks to declare the TABUK-BANAUE Road via TANUDAN-BARLIG Road as a National Road by identifying and delineating the towns, barangays, sitios and other populated areas. This is a refiled Bill which has reached second reading in the Senate in the 15th Congress. It did not pass into law however due to events prevailing during that period.

Department Order (DO) No. 60 series of 1997 by the Department of Public Works and Highways (DPWH) failed to identify the towns, barangays, sitios and other agricultural lands and centers of production to be traversed by the Tabuk-Banaue via Tanudan-Barlig road.

If roads are important vehicles of progress, it is equally important that roads must traverse populated areas for all stakeholders to benefit from. By simply identifying the municipalities of Tabuk, Banaue, Tanudan and Barlig without delineating the particular centers of population upon which the road will traverse, the residents thereat are at a loss as to whether they will benefit from said roads.

This road must therefore identify the specific route to wit:

The TABUK-BANAUE via TANUDAN-BARLIG road shall start from Bulanao, Tabuk then moves towards the Magabangon junction, Barangay Cudal then towards the municipality of Tanudan passing by barangays Mabaca, Taluktok, Anggacan, Mangali, Bannagao Poblacion, barangay Lubo and Dacalan, all of Kalinga. From Dacalan the road shall pass on the town of Barlig, Mt. Province by traversing barangay Latang, then to the Province of Ifugao passing by barangay Pula, Cambulo and Kinakin to join the Banaue-Mayoyao road.

The proposed conversion of the Tabuk-Banaue via Tanudan-Barlig road by specifically identifying its actual route therefore arises out of necessity.

In view of the foregoing premises, immediate enactment of this bill is earnestly sought.
