

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
First Regular Session

695

House Bill No. _____

Introduced by **HONORABLE STELLA LUZ A. QUIMBO**

EXPLANATORY NOTE

The bill seeks to convert the city road, J. Molina Street, traversing Barangay Concepcion Uno in the Second District, City of Marikina, into a national road.

Roads enhance economic activities as they promote mobility and accessibility of the people, thus, opening a horizon of economic possibilities, business opportunities and better employment. Roads which have been established need to be maintained and repaired when necessary to assure that their purposes are fully served.

By converting J. Molina Street into a national road, it would transfer the responsibility of the maintenance to the national government through the Department of Public Works and Highways, thus channeling the resources of the city government earmarked for the maintenance of the said road to more important projects and programs of the city management.

Thus, the conversion of the said road would greatly improve the quality of life of the people in the terms of economic activity, easy accessibility and convenience by means of good roads, at the same time allowing the city government to reallocate its funds for the creation of the better projects in furtherance of the same.

In view thereof, the expedient approval of this bill is strongly recommended.
