First Regular Session

House Bill No. 765

Introduced by **HON. ROZZANO RUFINO B. BIAZON**

EXPLANATORY NOTE

This proposal aims to include one (1) sectoral representative from the ranks of senior citizens in local legislative councils. Republic Act No. 7432, As Amended, or the Senior Citizen Law, defines “senior citizen” or “elderly” as any resident of the Philippines at least sixty (60) years old.

Innate in the Filipino culture is the value of respecting and obeying our elders. They are considered as important and integral part not only of the Filipino family, but the community as well. They play a crucial role in many decision-making instances. Many socio-civic organizations even adopt a “Council of Elders” composed mainly of seniors in order to provide them wisdom and guidance in their affairs.

While there are already adequate provisions under our existing laws for the benefit, protection and equal treatment of senior citizens, their direct participation in crafting policies especially at the local level is somewhat wanting. Their valuable inputs in local legislation must be recognized and expressed by a representative coming from their ranks in the local Sanggunian. After all, who more than themselves would know what matters to enact that would properly benefit their own sector.

This bill will also benefit local legislative councils aside from directly benefiting the senior citizen sector. These bodies will be recipients of the wisdom and experience of senior citizens.

In view of the foregoing, the immediate approval of this bill is earnestly sought.
