

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 807

Introduced by **MAGDALO Party-List Representative**
HON. MANUEL DG. CABOCHAN III

EXPLANATORY NOTE

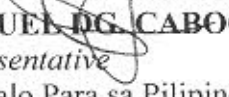

It is a fact that criminality and other public disturbance pose grave threat to peace and order that is why dedicated efforts both from government and private sectors are needed at all times. It is imperative not only upon the government but also upon the private sector to employ and make use of all available mechanisms to help curb criminality.

After President Duterte assumed office in July 2016, the President has launched hotline number 911, replacing the existing 711 hotline number, which was patterned after the same system that was implemented in Davao City. The national emergency telephone number 9-1-1 is available 24/7, and is managed by the Department of Interior and Local Government (DILG).

Hotline 9-1-1 seeks to connect concerned government agencies for immediate response in emergency situations. Despite the numerous issuances of the government which aims to establish a national emergency hotline 9-1-1 can be further improved and developed to contribute effectively in promoting crime prevention and community safety.

This bill aims to strengthen and reinforce National Emergency Hotline 911 by institutionalizing it. The proposed measure specifically seeks to address the problem posed by illegitimate or prank calls. Stiffer penalties in the form of a fine and or imprisonment shall be put in place under this bill in order to curb the rising number of illegitimate or prank calls.

In view of the foregoing, immediate approval of this bill is earnestly sought.
