

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

18th CONGRESS

First Regular Session

House Bill No. 1194

Introduced by Representative Hector S. Sanchez

EXPLANATORY NOTE

The Island Province of Catanduanes is composed of eleven (11) municipalities. Situated in the south eastern part of Luzon Archipelago. Dubbed as the Happy Island, a budding tourist destination in Bicol.

With the present power crisis that lasted from 6-8 hours of outages everyday due to short/lack of power supply low voltages from 220 down to 170 and 110 Volts, causing the constituents/consumers' malfunction or damages of home appliances and hamper economic growth of the province for 60 years.

The current power supplier cannot adequately cope up the demands of the required power generation of the province due to limited resources and lack of physical structure support.

A proper intervention from the national government is in order, by installing a submarine cable from the mainland Lagunoy/San Vicente, Camarines Sur to the Municipality of Bocon, San Andres, Catanduanes will benefit the entire province. Realization of this measure will greatly improve the economic activities in the area, lower rates and stabilization of power distribution.

Approval of this Bill is urgently sought.

HECTOR S. SANCHEZ
