HOUSE BILL NO. 2306

Introduced by Rep. Precious Hipolito Castelo

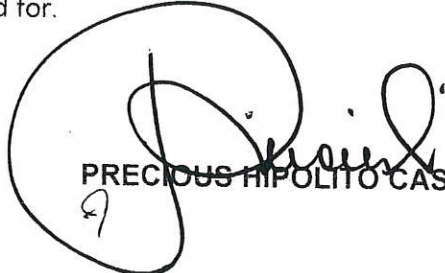

EXPLANATORY NOTE

The Technical Education and Skills Development Authority or TESDA has done a great job since its inception.

To migrate it, in terms of its aims toward skills development of human resources, through the establishment of what would be known as the Quezon City Technical Education and Skills Development Authority Training Center, it will truly redound to the benefit of an unrealized need.

The bill therefore seeks to make TESDA replicable in Quezon City, most especially, in the Second District which has the highest population of human resources who need the intervention from TESDA.

The urgent passage of this bill is then most prayed for.
