HOUSE BILL NO. _____

Introduced by Representative Cesar "Jawo" L. Jimenez, Jr.

EXPLANATORY NOTE

This bill seeks to convert the stretch of road from Alejo Alvarez Street in Zamboanga City connecting Junction Zamboanga City Labuan to Limpapa National Highway San Jose Section to Junction R.T. Lim Boulevard into a national road.

Alejo Alvarez Street functions as a complement to the named national roads. It is also a street leading to the Zamboanga City seaport. Consequently, it is heavily deluged with vehicles, which is very similar to that of a national road, resulting to greater costs of its maintenance for the Zamboanga City government.

To reduce the financial burden of Zamboanga City government in the maintenance of Alejo Alvarez Street, the said road needs to be converted into a national road, and to turn-over the responsibility of its maintenance to the Department of Public Works and Highways. Furthermore, this conversion will also result to better convenience of the riding public, and an unimpeded commerce and trade in the area.

In view of the foregoing, early passage of this is hereby being earnestly sought.
