HOUSE BILL No. 4803

Introduced by REPRESENTATIVE JULIETTE T. UY

EXPLANATORY NOTE

This measure aims to convert the satellite office of the Land Transportation Office (LTO) located in the Municipality of Initao, Province of Misamis Oriental into a regular district office of the LTO.

During the 17th Congress, this proposal was substituted by House Bill No. 08888 and approved on Third and Final Reading by the House of Representatives on February 04, 2019; subsequently transmitted and received by the Senate of the Philippines on February 06, 2019.

Unfortunately, HB 08888 was archived at the close of the 17th Congress on June 30, 2019.

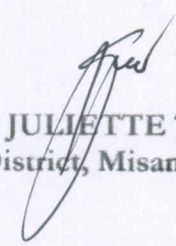

Initao is strategically located in the western part of Misamis Oriental's Second Legislative District and its conversion to a regular LTO district office will provide the inhabitants from the towns of Opol, Alubijid, Libertad, Laguindingan, Gitagum, Manticao, Naawan, Lugait, the component city of El Salvador, Claveria, Jasaan, Villanueva, Tagoloan the services that they deserve.

The conversion of the current LTO satellite office into a regular district office will enhance the efficient delivery of services because a greater number of clients can be served, in a way help decongest the work load of the LTO offices in the City of Cagayan de Oro.

This is also in line with the government's continuing drive towards an effective land transportation sector in the province and the country in general.

In view of this, this representation seeks the immediate passage of this bill.
