House Bill No. 5150

EXPLANATORY NOTE

The Municipality of Pintuyan, Southern Leyte has no institution that caters to tertiary education. What it has right now is a national vocational high school. It has been a dream of Pintuyan residents that their town will be able to have a school for college students someday.

By integrating the existing national vocational high school into the Southern Leyte State University (SLSU) system, it will be easier later on for SLSU to come up with a college degree program that will cater to the needs of Pintuyan residents through the SLSU-Pintuyan campus once this bill is passed into law.

In view of the foregoing, immediate approval of this measure is earnestly requested.
