

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
Quezon City

Eighteenth Congress
First Regular Session

House Bill No. 913

Introduced by Rep. AURELIO "DONG" D. GONZALES, JR.

EXPLANATORY NOTE

This bill seeks to convert the Sindalan-Anao Provincial Road, connecting the town of Mexico and the City of San Fernando, in the Province of Pampanga, into a national road which shall be under the supervision of the Department of Public Works and Highways. This road is a vital artery that connects the different barangays in the province and helps promote peace and order as well as economic growth in the locality and surrounding areas.

The scarcity of funds in the provincial government has made it difficult to adequately maintain this provincial road. Converting it into a national road will then allow the National Government to undertake the much needed repair, rehabilitation and upgrading of this vital infrastructure.

Considering the important role that roads play in development and progress, the speedy passage of this measure is earnestly requested.
